The Surveillance of Women on Reality Television Rachel E. Dubrofsky, 2011-06-17 Rachel E Dubrofsky examines the reality TV series The Bachelor and The Bachelorette in one of the first book length feminist analysis of the reality TV genre The research found in The Surveillance of Women on Reality TV Watching The Bachelor and The Bachelorette meets the growing need for scholarship on the reality genre This book asks us to be attentive to how the surveillance context of the program impacts gendered and racialized bodies Dubrofsky takes up issues that cut across the U S cultural landscape the use of surveillance in the creation of entertainment products the proliferation of public confession and its configuration as a therapeutic tool the ways in which women s displays of emotion are shown on television the changing face of popular feminist discourse notions of choice and empowerment and the recentring of whiteness in popular media

TV Guide ... Index , 1979

Partisan Sex Fedwa Malti-Douglas, 2009 Sex politics and the law characterized the Clinton era which began with the emergence of Bill Clinton as a presidential candidate with a train of sex scandals and ended with the attacks of September 11 2001 The Monica Lewinsky affair was the climax of the phenomenon and the resulting scandal had far reaching effects Politics became the language and the means for battles over sex Sex and politics became metaphors for each other as American society struggled to come to terms with its sexual and political anxieties Partisan Sex Bodies Politics and the Law in the Clinton Era explores the high cultural anxieties of the left and the masculinity hang ups of the right the exploitation of romance imagery and hot sauce bottles the obsessions with Hillary Clinton s breakfasts and the rise of a society of voyeurs Amazon com

Focus On: 100 Most Popular American Game Show Hosts Wikipedia contributors, *TV Guide Film & Video Companion* , 2004

The Forgotten Network David Weinstein, 2004 The heart of David Weinstein s book examines DuMont s programs and personalities including Dennis James Captain Video Morey Amsterdam Jackie Gleason and The Honeymooners Ernie Kovacs and Rocky King Detective Weinstein uses rare kinescopes archival photographs exclusive interviews trade journal articles and corporate documents to tell the story of a forgotten network that helped invent the very business of network television Jacket

Reality Bites Back Jennifer Pozner, 2010-10-19 Nearly every night on every major network unscripted but carefully crafted reality TV shows routinely glorify retrograde stereotypes that most people would assume got left behind 35 years ago In Reality Bites Back media critic Jennifer L Pozner aims a critical analytical lens at a trend most people dismiss as harmless fluff She deconstructs reality TV s twisted fairytales to demonstrate that far from being simple guilty pleasures these programs are actually guilty of fomenting gender war ideology and significantly affecting the intellectual and political development of this generation s young viewers She lays out the cultural biases promoted by reality TV about gender race class sexuality and consumerism and explores how those biases

shape and reflect our cultural perceptions of who we are what we re valued for and what we should view as our place in society Smart and informative Reality Bites Back arms readers with the tools they need to understand and challenge the stereotypes reality TV reinforces and ultimately to demand accountability from the corporations responsible for this contemporary cultural attack on three decades of feminist progress **TV Guide Almanac** Craig T. Norback, Peter G. Norback, 1980 **Publishing Romance** John Markert, 2016-03-15 Romance novels have attracted considerable attention since their mass market debut in 1939 yet seldom has the industry itself been analyzed Founded in 1949 Harlequin quickly gained market domination with their contemporary romances Other publishers countered with historical romances leading to the rise of bodice ripper romances in the 1970s The liberation of the romance novel s content during the 1980s brought a vitality to the market that was dubbed a revolution but the real romance revolution began in the 1990s with developments in the mainstream publishing industry and continues today This book traces the history and evolution of the romance industry covering successful and not so successful trends and describing changes in romance publishing that paved the way for the many popular subgenres flooding the market in the 21st century **Focus On: 100 Most Popular Television Series by Sony Pictures Television** Wikipedia contributors, **Pat Boone** Richard D. Kibbey, 2011-11-29 While much of Pat Boone s fame was garnered through his musical career and his many chart topping hits he is also identified by his film career though it is not nearly as well documented In his captivating biography Pat Boone the Hollywood Years Richard Kibbey sets out to explore the film history of Pat Boone and illustrate his transition from crooner to rising star Though some might write off his film career as fleeting it s obvious that Pat Boone s star quality was explosive Though he began appearing on television in the 50s which could have hurt his movie career 20th Century Fox made an ingenious choice to take him on as a leading man for not only romantic musicals but also science fiction and powerful dramas With interviews from fellow costars in depth film analyses documentation of his family life and a behind the scenes look at the planning scriptwriting scoring and songwriting of his popular films this thorough history of Pat Boone s film career is sure to delight not only Pat Boone fans but also anyone interested in the golden era of Hollywood movies and musicals [Visions of Belonging](#) Judith E. Smith, 2004-09-01 Visions of Belonging explores how beloved and still remembered family stories A Tree Grows in Brooklyn I Remember Mama Gentleman s Agreement Death of a Salesman Marty and A Raisin in the Sun entered the popular imagination and shaped collective dreams in the postwar years and into the 1950s These stories helped define widely shared conceptions of who counted as representative Americans and who could be recognized as belonging The book listens in as white and black authors and directors readers and viewers reveal divergent emotionally textured and politically charged social visions Their diverse perspectives provide a point of entry into an extraordinary time when the possibilities for social transformation seemed boundless But changes were also fiercely contested especially as the war s culture of unity receded in the resurgence of cold war anticommunism and demands for racial equality were met with intensifying white resistance Judith E Smith traces the

cultural trajectory of these family stories as they circulated widely in bestselling paperbacks hit movies and popular drama on stage radio and television *Visions of Belonging* provides unusually close access to a vibrant conversation among white and black Americans about the boundaries between public life and family matters and the meanings of race and ethnicity Would the new appearance of white working class ethnic characters expand Americans understanding of democracy Would these stories challenge the color line How could these stories simultaneously show that black families belonged to the larger family of the nation while also representing the forms of danger and discriminations that excluded them from full citizenship In the 1940s war driven challenges to racial and ethnic borderlines encouraged hesitant trespass against older notions of normal But by the end of the 1950s the cold war cultural atmosphere discouraged probing of racial and social inequality and ultimately turned family stories into a comforting retreat from politics The book crosses disciplinary boundaries suggesting a novel method for cultural history by probing the social history of literary dramatic and cinematic texts Smith s innovative use of archival research sets authorial intent next to audience reception to show how both contribute to shaping the contested meanings of American belonging

Immerse yourself in the artistry of words with is expressive creation, Discover the Artistry of **The Bachelor Tv Guide** .
