Whitewashed On The Brink Series One:

The Whitewash Siang Lu,2022-08-02 It sounded like a good idea at the time A Hollywood spy thriller starring for the first time in history an Asian male lead With an estimated 350 million production budget and up and coming Hong Kong actor JK Jr who let s be honest is not the sharpest tool in the shed but probably the hottest Brood Empire was basically a sure thing Until it wasn t So how did it all fall apart There were smart guys involved So smart so woke So woke it hurts There was top notch talent across the board and the financial backing of a heavyweight Chinese studio And yet Brood Empire is remembered now not as a historical landmark of Asian representation that smashed the bamboo ceiling in Hollywood but rather as a fiasco of seismic proportions The Whitewash is the definitive oral history of the whole sordid mess Unofficial Unasked for Only intermittently fact checked and featuring a fool s gallery of actors producers directors film historians and scummy click bait journalists to answer the question of how it all went so horribly horribly wrong **The Curse of**

Brink's-Mat Wensley Clarkson,2012-03-29 It wasn t only Britain s biggest heist it became the bloodiest Mail on Sunday The inside story of the 20th century s most lucrative armed robbery On 26 November 1983 six armed robbers escaped with 28 million worth of gold bullion from a Brink s Mat warehouse at London s Heathrow Airport The Curse of Brink s Mat reveals the pulse racing full story of the crime itself before moving to its chilling aftermath which still reverberates to this day The heist made the careers of many of the underworld s biggest names and changed the face of British crime forever but in the years that followed the robbery many of those involved innocent and guilty alike have been sent to an early grave Two decades on the death toll is still rising Nobody knows more about that extraordinary morning s events than Wensley Clarkson whose early career was spent as a reporter for Britain s biggest selling newspapers providing him with a wealth of insider contacts From small time crime in south east London to the heist of the century and its bloody consequences Wensley Clarkson s The Curse of Brink s Mat is an epic tale of villainy gold and revenge [The Murder of Helen Jewett](#) Patricia Cline Cohen,1999-06-29 In 1836 the murder of a young prostitute made headlines in New York City and around the country inaugurating a sex and death sensationalism in news reporting that haunts us today Patricia Cline Cohen goes behind these first lurid accounts to reconstruct the story of the mysterious victim Helen Jewett From her beginnings as a servant girl in Maine Helen Jewett refashioned herself using four successive aliases into a highly paid courtesan She invented life stories for herself that helped her build a sympathetic clientele among New York City s elite and she further captivated her customers through her seductive letters which mixed elements of traditional feminine demureness with sexual boldness But she was to meet her match and her nemesis in a youth called Richard Robinson He was one of an unprecedented number of young men who flooded into America s burgeoning cities in the 1830s to satisfy the new business society s seemingly infinite need for clerks The son of an established Connecticut family he was intense arrogant and given to posturing He became Helen Jewett s lover in a tempestuous affair and ten months later was arrested for her murder He stood trial in a five day courtroom drama

that ended with his acquittal amid the cheers of hundreds of fellow clerks and other spectators With no conviction for murder nor closure of any sort the case continued to tantalize the public even though Richard Robinson disappeared from view Through the Erie Canal down the Ohio and the Mississippi and by way of New Orleans he reached the wilds of Texas and a new life under a new name Through her meticulous and ingenious research Patricia Cline Cohen traces his life there and the many twists and turns of the lingering mystery of the murder Her stunning portrayals of Helen Jewett Robinson and their raffish colorful nineteenth century world make vivid a frenetic city life and sexual morality whose complexities contradictions and concerns resonate with those of our own time

Elephant Song Wilbur Smith,2018-01-01 A thrilling novel of love and the fight against corruption from global sensation Wilbur Smith A master storyteller Sunday Times Wilbur Smith is one of those benchmarks against whom others are compared The Times No one does adventure quite like Smith Daily Mirror Who sings for the lost country Dr Daniel Armstrong ecologist and documentary maker has dedicated his life to protecting Africa s animals and rainforests But when a gang of poachers murders his childhood friend Chief Warden of the National Park and steals the government protected ivory stores Daniel s quest of passion becomes one of revenge In London fiery anthropologist Kelly Kinnear is locked in a confrontation with the most powerful conglomerate in the city She has been studying and living with the Bambuti people whose way of life is being destroyed by the greed of men on the other side of the world As Daniel calls on his expert knowledge and insider connections to investigate who ordered the savage killing he will discover something much worse than simple murder As his path crosses with Kelly the two join forces in a battle to save a country devastated by corruption Can they save the place and people they love from such a powerful and destructive force

Hosting the Monster ,2008-01-01 Hosting the Monster responds to the call of the monstrous with not rejection but invitation Positing the monster as that which defies classification the essays in this collection are an ongoing engagement with that which lies outside of established boundaries With chapters ranging from the monstrous mother or the deformed child to subjectivity in transition this volume is not only of interest to film and gender scholars and literary and cultural theorists but also students of popular culture or horror Its wide appeal stems from its invitation both to entertain the monster and to widen the call to and the listening for the monsters that have not yet and perhaps must not yet come calling back This sense of hospitality and non hostility is one guiding principle of this collection suggesting that the ability to survey and research the otherwise may reveal more about the subjectivity of the self through the wisdom of the other however
