What Worked for me

If there's a big assignment/exam, get started early! Don't wait until last minute. If you have questions, or don't understand something, email/ask your professor! It'll show that you care about the class and leave a good impression. Don't worry if you don't get something the first time you try it — some of my best essays took 5 drafts to get right!

Don't forget to reward yourself for doing things well!

math help: Wolfram Alpha
in general: Khan Academy, crash course (youtube), Sparknotes, etc.
you can always ask other people for help, too!

EXTRA RESOURCES!

Try to think of mistakes not as failures, but as chances to learn!

HOW TO CRAM

One word: don't. cramming will stress you out and doesn't help in the long run. Instead, start studying earlier

studying timeline

day 1: you learn what's going to be in the test

day 2: review your notes if you want, make some study guides!

day 3: look over notes!

the night before: RELAX. read over your study guide before you go to sleep (try for 8 hrs!)

TEST DAY: you will do great! trust in your knowledge, and believe in yourself! you totally got this!!

The Covenant of Marriage Study Guide Mark Johnson,2021-02-04 This twelve week study shows how the historic understanding of Covenant helps us build a love for a lifetime Marriage Marriage is not what our culture or we say it is What is the one esh relationship that was designed by God When two enter a Covenant the identity of each party enters the other This produces a bond of shared identity between the two and alters the nature of each what God has joined together God s instructions are logical consequences of these realities We love the other as we love ourselves because the other is now part of us Our hearts want to love but we do not love consistently Why Because our guidance systemour old sense of self interest pulls in other directions Covenant is not just a tie that binds It is also a plan that teaches us what to do why we do these things and how we become able to do them Our married self is a new self Obedience does not oppose our nature it authentically expresses our new self and new bond Shifting our guidance system to follow God s plan and building this new life is the path to the best Marriage

MacArthur, 2009-07-26 Do you want to learn more about who Jesus really is In *The Jesus You Can t Ignore* author and pastor

John MacArthur reintroduces a critical aspect of the Savior that has seemingly been forgotten. Yes the Savior tenderly held little children in His arms but He also violently overturned tables in the temple. He gently touched a blind man's eyes but He scourged pompous thieves with a whip. His words soothed grief-stricken parents and angered the religious establishment of His day. Because some prefer the meek and mild Jesus, it's become commonplace to ignore the fullness of the Savior. In this study guide you will dig deeper into the Savior as He truly is, gaining the lifelong impact of knowing His character and His ways using the following tools: Probing questions for personal reflection, Multiple choice exercises to get to real answers to your questions, Deeper discussions of the biblical text and cultural context of Jesus' day, Rewind, reflect and react sections to increase your knowledge and inspire new action. Verse by verse John MacArthur unpacks the Jesus Christ the Bible presents. Page by page you will reach new conclusions about the Jesus too often overlooked. Discover a vivid portrait of the Messiah as He really is.

Changing Natures - Study Guide , **The Message of Love** Patrick Mitchel, 2019-09-19 Love such a deceptively simple and popular little word. It is universally agreed that we need love to live and flourish as human beings and yet within our contemporary culture there are numerous confusing, competing and evolving ideas about what love is. There are few greater subjects in Christian theology than love yet it is a surprisingly complex and challenging concept to understand, let alone live out faithfully. Patrick Mitchel's conviction is that Christians need to be thinking about and practising love in compelling and authentic ways. Our task is not only to articulate what love is but also to show to the world what true Christian love looks like in practice. The only thing that counts is faith expressing itself through love. Gal 5:6 NIV. Mitchel's exposition explores love in the Old Testament, how the love of God is supremely revealed in the mission and death of Jesus Christ, love in the life and teaching of Jesus and the church's calling to be a community of love. He helps us to grasp afresh the breadth, depth, scope and radically counter-cultural nature of the Bible's teaching on love. With a fully integrated study guide suitable for both individuals and groups, **The Message of Love** will help you to see how the Bible's unified teaching on this vital theme can impact your life today.
