We've divided the information into lessons in a practical way you can skip to any class and explore the areas where you feel you need the most help or start at the beginning and work through each lesson in order. Each lesson begins with a theory part when a particular law or regulation is explained; at the end, you will find a paragraph called a close look at in which the main points of the law or regulation are summarized. In this way, you will understand and remember the concepts. The Practice section is our masterpiece. forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?
