CCC/CCE Certification Study Guide

Michael Pritchett, 2012-04-03

Congratulations You are obviously serious about becoming AACE International certified since you are about to purchase this book This CCC CCE Certification Study Guide is designed to be a companion workbook to the Skills and Knowledge of Cost Engineering 5th Edition S K 5 The information contained in S K 5 represents the minimum general knowledge a cost engineering professional is expected to have This study guide does not teach specifically to the CCC CCE exam Rather the CCC CCE Certification Study Guide is intended to assist you in your study and review of the overall topics contained in S K 5 as one step toward successful certification To successfully pass the exam a candidate must know the basic principles and how they apply to everyday work issues and not just parrot back example questions Exam questions are often structured differently than the examples Therefore a full working understanding of the material and concepts is needed to pass
