Modern Language Audio-visual Research Project George Paul Borglum,1964 Retranslation and Reception

,2022-08-22 This is the first complete study of the relationship between Retranslation and Reception Although many translation scholars have cited Reception Theory in their work this is the first systematic study of its relationship to Retranslation The book starts from the hypothesis that frequent retranslations of the same literary text into the same language may be indicative of its impact in the target culture The volume encompasses both theory and practical analysis of

Retranslation and Reception as mutually dependent concepts The sixteen chapters relate the translations analysed to their socio historical contexts in order to assess the impact that they have had on the target culture in terms of the reception of the authors studied and also explore the relationship that may exist between the appearance of new translations and historical social or cultural changes [Tried and Tested: The ultimate guide to teaching primary languages](#) Juliet Park, Wendy
