## **Sutra Of The Wise And The Foolish:**

Sutra of the Wise and the Foolish, 2006-01-01 One of the great treasures of Buddhist literature is mDo mdzangs blun or the Sutra of the Wise and the Foolish as it is known to the Mongols The text was translated to Mongolian from Tibetan as the lighter n Dalai or Ocean of Narratives It is one of the most interesting enjoyable and readable Buddhist scriptures For centuries it has been an inexhaustible source of inspiration instruction and pleasure for all who have been able to read it The history of this unusual scripture is still uncertain Legend has it that the tales were heard in Khotan by Chinese monks who translated them but from what language into Chinese from which it was translated into Tibetan then into Mongolian and Oirat The Narratives are Jatakas or rebirth stories tracing the causes of present tragedy in human lives to events which took place in former lifetimes The theme of each narrative is the same the tragedy of the human condition the reason for this tragedy and the possibility of transcending it But unlike Greek tragedy Buddhist tragedy is never an end in itself i e a catharsis but a call to transcend that which can be transcended and need not be endlessly endured The people we meet in the Sutra of the Wise and the Foolish although supposedly living in the India of the Buddha s time might also be living at present in New York City a small rural town or Leningrad and the problems they face are the same problems that men have had to face always and everywhere Herein lies the timeless appeal of this profound Buddhist scripture      **The Life of Shabkar** ?abs-dkar

Tshogs-drug-ra?-grol, Shabkar Tsogdruk Rangdrol, Matthieu Ricard, 1994-01-01 The Life of Shabkar has long been recognized by Tibetans as one of the master works of their religious heritage Following his inspired youth and early training in his native province of Amdo under the guidance of several extraordinary Buddhist masters Shabkar Tsodruk Rangdrol devoted himself to many years of meditation in solitary retreat With determination and courage he mastered the highest and most esoteric practices of the Tibetan tradition of the Great Perfection He then wandered far and wide over the Himalayan region expressing his realization His autobiography vividly reflects the values and visionary imagery of Tibetan Buddhism as well as the social and cultural life of early nineteenth century Tibet      *Naked Awareness* Karma Chagme, 2000-03-27 In this classic

seventeenth century presentation of the union of Mahamudra and Dzogchen Karma Chagm one of the great teachers of both these lineages of Tibetan Buddhism begins with an overview of the spirit of awakening and the nature of actions and their ethical consequences Next drawing from his enormous erudition and profound experience Chagm gives exceptionally lucid instructions on the two phases of Dzogchen practice the breakthrough and the leap over followed by an accessible introduction to the practice of the transference of consciousness at the time of death The concluding chapters of this treatise present a detailed analysis of Mahamudra meditation in relation to Dzogchen practice This tour de force of scholarly erudition and contemplative insight is made all the more accessible by the lively commentary of the contemporary Nyingma Lama Gyatrul Rinpoche Although this book stands alone it is the concluding section of a single body of teachings by Karma Chagm the earlier section published under the title *A Spacious Path to Freedom* Karma Chagm was a major teacher of the

Karma Kagyu tradition of Tibetan Buddhism and his writings have also become central to the Payul Nyingma order making him an ideal figure to integrate these two great meditation systems      *Silk Road: The Study Of Drama Culture* Qiang Li, 2019-03-12 *Silk Road The Study of Drama Culture* is the translated edition of the Chinese academic book of the same title written by Professor LI Qiang from Shaanxi Normal University China The book breaks through the concept of regarding Han Drama as the center yet elaborates the Silk Road drama as an inclusive culture and a prevailing literary art form in human civilization Relying on his extensive experience and broad vision the author conducts the thorough study by means of literature artifacts and academic fieldwork The book studies the drama culture of all ethnic groups from Asia Europe and Africa and touches upon the cultural exchanges between China and its neighboring countries between the East and the West The carefully presented details in this book are aimed to explore all the related fields such as dramaturgy philology phonology religion history geography archeology ethnology and folklore between the East and the West from the perspective of cultural anthropology The explanations in the book contribute to an in depth study on the origins of the Silk Road and the drama culture along the Silk Road      *Polyglot from the Far Side of the Moon* Lauren F. Pfister, 2022-03-24 Though recognized in the latter part of the 19th century as the greatest Orientalist in Britain the Geneva born Anglican priest Solomon Caesar Malan 1812 1894 was such an extraordinary person that he has defied any scholarly person to write a critical account of his life and works Consequently almost no one has written anything critically appreciative and insightful about him since his death A polymath with extraordinary talent for languages and sketching among other specialized skills Malan focused much of his life on assessing biblical translations in ancient Middle Eastern and East Asian languages while also producing English translations of alternative expressions of Christianity found in north Africa the Middle East and Asia A life long interest of his was comparing the proverbs of his namesake King Solomon with proverbial wisdom from as many cultures and languages as he could find That interest culminated in a three volume work that enshrined his achievements realized through his capacities as a hyperpolyglot within the context of a search for shared wisdom across many cultures In this volume produced by a team of collaborators from a wide range of scholarly interests and varying expertise we have presented a critically assessed account of the life and key works produced by Solomon Caesar Malan In fact it is the first work of its kind on Malan written since his death now having occurred more than 125 years ago Readers will journey through an itinerary that starts in Geneva before it became part of Switzerland moves to Great Britain and ultimately into one of the colleges in Oxford Subsequently it moves us into an exploration of the journey of his life that involved a huge range of places people and languages starting in Calcutta touching unusual figures from Hungary India and China Those seminal experiences led Malan into studies of languages related to even more distant cultural worlds in Central Southeastern and East Asia The historians among us have delved into Malan's life in Calcutta Geneva and Dorsetshire while others have explored the nature of his hyperpolyglossia and tested the quality of his understanding of ancient literature in classical languages that include

Chinese Manchurian Sanskrit and Tibetan Notably Malan's personal library was so unique that when he donated it to his alma mater at Oxford University it became one of the major bibliographic precedents for what is now the Oriental Division in the Bodleian Libraries Yet when one follows the twists and turns of his life's journey and the surprises that occur from documenting the history and content of the Malan Library as well as critically analysing aspects of his opus magnum *Original Notes on the Book of Proverbs* 1889-1893 we believe both general readers and scholarly specialists will be entranced

**The Written Image** Miyeko Murase, 2002 This lovely catalog accompanies an exhibition of the same name held at the Metropolitan Museum of Art in New York City in 2002-2003 The exhibition features Japanese calligraphy and paintings and sculpture of Buddhist and Shinto themes Full descriptive entries accompany the plates of each work Three essays introduce the catalog a history of the collection and an essay on viewing calligraphy by Barnett and Burto and an introduction to the calligraphy in their collection by Murase a consultant on Japanese art at the museum Annotation copyrighted by Book News Inc Portland OR *The Revival of Buddhist Monasticism in Medieval China* Huaiyu Chen, 2007 Original Scholarly Monograph *Ethical Treatment of Animals in Early Chinese Buddhism* Chuan Cheng, 2014-03-17 Through detailed discussions of several Buddhist and Chinese moral concepts and beliefs and accompanied by some edifying short stories this book investigates three types of ethical treatment of animals in early Chinese Buddhism the imperial bans on animal sacrifice the early development of the two unique and living traditions of vegetarianism and the freeing of animals The book presents a demonstration of the early Chinese acceptance of Indian Buddhism providing the reader with a better understanding of the early history of Chinese Buddhism in general and of the integration of Chinese and Indian Buddhist cultures in particular

**Dictionary of Buddhism** Soka Gakkai, 2009-01-01 Anyone reading English translations of Buddhist texts will encounter a host of names terms and phrases whose meanings are not clear even though they appear in English Buddhism is famous for its specialized terminology and translation alone may not communicate its full meaning East Asian Buddhist diction is layered with several languages Pali Sanskrit Chinese and Japanese and the only way to make one's way through this linguistic maze without getting lost is with the aid of a good dictionary The Soka Gakkai Dictionary of Buddhism a revised and expanded version of *A Dictionary of Buddhist Terms and Concepts* 1983 is a welcome addition that serves this purpose Written clearly for the general reader the Dictionary contains over 2 700 entries While it is designed primarily for use with the Soka Gakkai's translations of Nichiren's works the Dictionary contains a wealth of terms found in all other traditions of Buddhism Definitions are given for technical terms historical figures doctrinal texts institutions and place names The entries provide complete cross references so that readers may know and further pursue meanings of term equivalents as rendered in other ways or languages Ten appendixes provide maps and word lists that enable the reader to find terms in English Pali Sanskrit Chinese or Japanese Like all Buddhist masters Nichiren presented his particular message in the wider context of other Buddhist teachings and practices To know the particular one must also understand the general context and the Dictionary in

addressing both levels provides essential knowledge not only for students of Nichiren Buddhism but for anyone reading Buddhist texts      Footprints on the Journey Khenpo Sodargye, Suodaji (Kanbu), 2024-03-26 Inspiring diary entries from a challenging year in the life of the renowned Dzogchen master Khenpo Sodargye demonstrate right conduct for the path to liberation This personal diary that the renowned Dzogchen master Khenpo Sodargye kept for one year gives serious Dharma practitioners a lifetime of inspiring wise guidance for practicing right conduct on the path The backdrop is the Tibetan plateau from which Khenpo invites us to see the world from native people to a spider from vast galaxies to a water droplet as he does with candor and humor and with a Dzogchen master's sharp analysis He shares with us his perceptions of this world describing his ups and downs in a way that we can relate to and be inspired by even if we do not have the fortitude to stand up to the oppression of crustaceans or to ransom yaks from the slaughterhouse Spontaneous and lively the entries play out the vicissitudes of his life throughout a challenging year tracking the passage of his thoughts and actions leaving footprints for whoever is able to follow      **Buddhist Monasticism in East Asia** James A. Benn, Lori Meeks, James Robson, 2009-09-10 Taking into account the diverse religious historical social and cultural contexts within which they have existed this book provides a multifaceted examination of Buddhist monasteries Written by specialists in the study of monasteries and monastic practice in East Asia it is a timely contribution on this aspect of Buddhist religious practice      **Daughters of the Buddha** Analayo Bhikkhu, 2022-12-06 A testimony to the invaluable contributions made by the women who were direct disciples of the Buddha and a source of inspiration to Buddhist women today It's a common perception that the earliest textual records don't contain many if any teachings by the Buddha's female disciples yet this is not the case In fact the earliest discourses record a range of teachings from Buddhist women lay and monastic Unfortunately their important contributions have so far not received the attention they deserve In *Daughters of the Buddha* esteemed scholar monk Bhikkhu Analayo examines the accounts of the first female disciples in the canonical scripture taking the reader back to the earliest period in the history of Buddhism that can still be accessed today He dedicates each of the twenty-one chapters in the volume to an individual and remarkable woman sharing her particular insights and teachings with the reader Both nuns and laywomen are featured in these pages and their diversity of voices and richness of thought will serve as instruction and encouragement for modern scholars and practitioners alike      *On Yuan Chwang's Travels in India, 629-645 A.D.* Thomas Watters, 1904      **Oriental Translation Fund**, 1904      **Publications**, 1904      Buddhism Across Asia Tansen Sen, 2014-11-11 e Buddhism across Asia is a must read for anyone interested in the history and spread of Buddhism in Asia It comprises a rich collection of articles written by leading experts in their fields Together the contributions provide an in-depth analysis of Buddhist history and transmission in Asia over a period of more than 2000 years Aspects examined include material culture politics economy languages and texts religious institutions practices and rituals conceptualisations and philosophy while the geographic scope of the studies extends from India to Southeast Asia and East Asia Readers' knowledge of Buddhism is constantly challenged

by the studies presented incorporating new materials and interpretations Rejecting the concept of a reified monolithic and timeless Buddhism this publication reflects the entangled dynamic and multi dimensional history of Buddhism in Asia over extended periods of integration development of multiple centres and European expansion which shaped the religion s regional and trans regional identities e Max Deeg Cardiff University *Little Buddhas* Vanessa R. Sasson,2013

Consideration of children in the academic field of Religious Studies is taking root but Buddhist Studies has yet to take notice Little Buddhas brings together a wide range of scholarship and expertise to address the question of what role children have played in Buddhist literature in particular historical contexts and what role they continue to play in specific Buddhist contexts today The volume is divided into two parts one addressing the representation of children in Buddhist texts the other children and childhoods in Buddhist cultures around the world The ground breaking contributions in this volume challenge the perception of irreconcilable differences between Buddhist idealism and family ties Little Buddhas will be an indispensable resource for students and scholars of Buddhism and Childhood Studies and a catalyst for further research on the topic

Mair,2020-10-26 This is the most comprehensive study of pien wen transformation texts i e tales of metamorphosis in any language since the manuscripts were discovered at the beginning of the 20th century in a remote cave complex in northwest China They are the earliest written vernacular narratives in China and are thus extremely important in the history of Chinese language and literature Numerous scholarly controversies have surrounded the study of the texts in the last three quarters of a century this volume seeks to resolve some of them the extent origins and formal characteristics of the texts the meaning of pien wen the identity of the authors who composed these popular narratives and the scribes who copied them the relationship of the texts to oral performance and the reasons for the apparently sudden demise of the genre around the beginning of the Sung dynasty This is a multi disciplinary study that integrates findings from religious literary linguistic sociological and historical materials carried out with intellectual rigor It includes an extensive bibliography of relevant sources in many languages The Writings of Nichiren Daishonin, vol. 2 Soka Gakkai,2024-08-01 An authoritative translation of 234 of Nichiren s writings presented in chronological order The collection includes Nichiren s five major works as well as other treatises setting forth his doctrine writings remonstrating with government officials and letters offering advice encouragement or consolation to believers The translations are based on those of Burton Watson formerly of Columbia University and an award winning translator of Chinese and Japanese literature Edited by the Soka Gakkai s Goshō Translation Committee these are the translations used by English speaking Soka Gakkai members the world over **The Diamond Cutter Sutra** Khenpo Sodargye,2020-10-27 Khenpo Sodargye translates and provides commentary on the Diamond Cutter Sutra the oldest printed book in China shedding light on the Buddha s teachings on how to destroy attachment without being led astray the author is a household name in China and his books and CDs sell in the millions in China In the profound teachings of the Diamond Cutter Sutra the Buddha offers a view of the world

that deconstructs our normal categories of experience to show us that what we think are real entities in the world are actually our conceptualizations The Buddha teaches us to cut our attachment to all phenomena and to the I which are empty of inherent existence and in so doing cut the root cause of our suffering Yet without wise guidance we may think that because all phenomena are empty there is no need to be attached to virtue and thus we fall into the worst trap of all an attachment to emptiness How do we destroy our attachment without being led astray With this question in mind Dzogchen Master Khenpo Sodargye provides sparkling commentary on the Diamond Cutter Sutra so that we understand its actual meaning thus preparing us to understand the view of the Great Perfection and Mahamudra Before recognizing the nature of the mind we learn we must hold on to things that are virtuous and right Like a boat these can help us cross a river until we reach the other shore it makes no sense to give them up
