52 Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in
writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th
October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy
Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims
globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam
which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam
among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The
wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid
miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole
world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true
teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The
whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the
universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English
