

The background of the book cover is a scenic landscape. At the top, a sunburst or light flare emanates from behind a mountain peak, casting a warm glow over the scene. The mountains are rugged and partially covered in snow or light-colored rock. In the foreground, a lush green valley is filled with dense evergreen trees. The overall atmosphere is serene and majestic.

Justification and the Kingdom of God, Volume One Paul Chul Hong Kang, 2025-01-17 The Justification and Kingdom of God series seeks to answer the question: How can justified Christians in Jesus bear the fruit of faith reflecting growth in God's image? To address this, the series helps readers understand what happens to the image bearers of God in Adam or in Jesus Christ. This reveals the deeper meaning of the gospel and the restoration of God's image, uncovering hidden treasures. Now the challenge is whether you will accept these treasures. The Kingdom of the Covenant emphasizes the eternal kingdom of the living God through the lens of God's righteousness. This encourages readers to remember God's righteousness which runs through his covenants, serves as the legal standard of governance, the standard of salvation and the standard of a good life. Just as God's righteousness is the foundation of his word for his kingdom, God's word is the standard for wisdom, knowledge, judgment and actions. Through his word, God opens the gates of heaven and connects the present reality of lives with the eternal nature of his kingdom. Now lives of faith on this earth carry eternal consequences. This book asks: What would you do with this gift, God's word? **Justification and the Kingdom of God, Volume One** Paul Chul Hong Kang, 2025-01-17

Greatest Christian Classics, 2 Volumes in 1 Stephen Charnock, 2008-09 The Existence and Attributes of God comprises the first two volumes of the works of Stephen Charnock, 1628-1680, an English puritan divine who was highly skilled in philosophy, patristics, Reformed theology and Biblical languages. These volumes are his abiding monument. They are worthy of

being compared with the finest in theology When the existence and attributes of God are called into question to whom else can we better go than to Stephen Charnock those things revealed belong to us and to our children forever The material that Charnock discusses is firmly founded in the Word of God Both the Old Testament and the New emphasize these two things First we should study the whole revelation not just some easy or favorite parts of it secondly the study of God's attributes is not dry as dust theology but is practical that is it leads to righteousness Dr Gordon H Clark from a preface to this great work in a Sovereign Grace edition 1958 One of the greatest tragedies in these spiritually starved times is the sad fact that most Christians know so very little about their God It is often said that this is simply because these volumes are exhaustive on the subject Yet it is clearly filled with sublime expositions of the truth regarding God's existence and attributes Charnock displays God's attributes not as impersonal abstractions for the mind to juggle with but as qualities observable in the concrete actions of the living God of which the Bible speaks The technical terms and sometimes arguments of scholastic theology are employed but always with a Biblical orientation Charnock has no desire to speculate but only to declare the works and ways the nature and character of the God of the Bible The substance of his doctrine is characteristically Puritan and representatively Reformed Dr James I Packer in The Encyclopedia of Christianity Volume II p 410 The possessor of these rare volumes will be blessed by getting acquainted with the incomparable God and thereby will reach a higher plane of spiritual enjoyment never attained before To know Him better is to love Him more

The Existence and Attributes of God (Vol. 1&2) Stephen Charnock, 2020-04-10 The Existence and Attributes of God in 2 volumes is a series of discourses and lectures delivered by the great Stephen Charnock to the members of his congregation at Crosby Hall Charnock discusses in a logical flow of thoughts the existence of God and the untenability of maintaining an atheistic worldview Unfortunately however the Discourses were cut short by Charnock's death in 1680

Reformed Systematic Theology, Volume 1 Joel Beeke, Paul M. Smalley, 2019-03-14 The church needs good theology that engages the head heart and hands This four volume work combines rigorous historical and theological scholarship with application and practicality characterized by an accessible Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley explore the first two of eight central themes of theology revelation and God

Cyclopaedia Bibliographica James Darling, 1854 **Tozer on the Almighty God** A. W. Tozer, 2015-02-23 Know God as He Is Tozer on the Almighty God is a 365 day devotional that dwells on the awesomeness of the Almighty God Tozer was a man who walked closely with God who prayed often and shunned distraction so he could gaze more purely upon Him In these daily meditations on Scripture Tozer urges you to do the same He will stir you toward humility and full surrender He will expand your faith in a God so great that words fall short to describe Him He will nourish you with truth With each page may your heart be filled and your worship increased *Baxter's Practical Works, Volume 1* , 2007-12 The editor's preface 1707 p xiii stated that the works of Richard Baxter are perhaps the best body of practical divinity that is extant in our own or any other tongue Richard Baxter lived from 1615 1691 The DIRECTORY was completed in 1665 Its scope was intended to cover all of practical theology a summa of casuistry Timothy Keller calls it the greatest manual on Biblical counseling ever produced Jesus Is the Way, Truth, Life Michael Pietrzyk, 2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus then this book is for you So many Christians take Jesus for granted and so many people do not understand His torment and the suffering He endured for us We began a spiritual journey when we enter this world We have a natural body and a world full of responsibilities to challenge us on our journey We are influenced by many outside sources and personal interactions with our family members and friends Ultimately we make the most important decision of our life Do we believe in God and accept Jesus as our Savior or do we reject God and accept atheism When you analyze the facts of the life of Jesus his loving teachings his horrible suffering death and miraculous resurrection you come to understand He did it for you Jesus is the Way the Truth and the Life His teaching brings light into your life Jesus is the gateway to eternal happiness when we leave this world Atheism with its evil influence wants to drag you down and have you reject God Atheists are in total denial about God Jesus supernatural experiences something from nothing and the wisdom in the formation of this universe and mankind Atheists want you to believe you will simply rot in the ground and accept life with no future hope If you are an atheist don't laugh at this thought and concern As a Christian I care for you and your soul That is certainly more than what the atheistic thinking has in mind for you Atheism under the influence of Satan offers you nothing but the door way to eternal conscious separation from God This book is a

direct challenge to the thoughts and beliefs of the atheist I wrote this book with the hope it just might stir the mind of a non believer Then believing the Holy Spirit will do the rest **The Pursuit of God / God's Pursuit of Man Devotional** A. W. Tozer,2013-09-01 Compiled by Edythe Draper this devotional book includes 31 daily readings from The Pursuit of God and God s Pursuit of Man interspersed throughout with Scripture and quotes from classic writers This book makes for a perfect gift The Works of T. G. [With Preface to Vol. 1. by T. Owen and J. Barron.] Thomas GOODWIN (D.D.),1697 *Teaching Tenets of Faith in Worship* James Akerson,2019-04-02 Western culture no longer has a broad Christian understanding In fact much of what American media dishes out is pantheistic or anti religious Sociological research indicates that a multitude of beliefs have crept into Christian understandings of faith This situation is not new As early as the fifteenth century Erasmus asserted that the greatest concern of his time was that Christians were most often rank heathens when it came to their orthodoxy It is also apparent that attendance at Sunday school Vacation Bible School and other gatherings has fallen at a great rate The author believes providing Christian education in the context of worship is therefore the best opportunity for reaching believers with historical elements of faith A twenty four part lectionary based catechetical curriculum is provided for worship With it congregations can dwell in a sermon series that is surrounded by supportive full bodied worship
