

## **Memorandum**

**Dated:** 14 January 2023

**To:** Sales & Marketing Group

**From:** Praveenkumar Revankar, Product Engineering

**Subject:** Delay in release timelines of Feature A and Feature B.

### **Purpose:**

The purpose of this document is to notify the cross-functional group about sudden changes in release timelines of Feature A and Feature B and to reinform the group to reprioritize certain tasks for Sales and Marketing for the release.

### **Background/Context:**

We have been working together on our key USP features 'Feature A' and 'Feature B' for targeting their release this quarter. Due to unforeseen circumstances, there is a change in the release timelines and the new timeline will be shared shortly in Scrum of Scrum meeting where a representative from Sales has been invited.

### **Action:**

Even though it looks like a major setback and current activities w.r.t. The release can be paused, there are certain actions that have to be performed in this quarter. The same has been conveyed in Jira, marking the work items with labels "Q1\_Paused" and "Q1\_Must." Please reprioritize your internal activities based on the labels in Jira and ensure a final plan reflected in Jira on or before 30 January 2023.

### **Conclusion:**

We might be delayed with the release but we are not affecting the business. The necessary strategy is defined and put in place to ensure customers can solve their problems using our support until Feature A and Feature B release.

Thanks,  
Praveenkumar Revankar

*Civil Procedure* Great Britain,2003-05      **The Bill of the Century** Clay Risen,2014-04-01 The Civil Rights Act of 1964 was the single most important piece of legislation passed by Congress in American history It gave the government sweeping powers to strike down segregation to enforce fair hiring practices and to rectify bias in law enforcement and in the courts The Act so dramatically altered American society that looking back it seems preordained as Everett Dirksen the GOP leader in the Senate and a key supporter of the bill said no force is more powerful than an idea whose time has come But there was nothing predestined about the victory a phalanx of powerful senators pledging to fight to the death for segregation launched the longest filibuster in American history to defeat it The journey of the Civil Rights Act was nothing less than a moral and political epic a sweeping tale of undaunted activism political courage historic speeches backroom deal making and finally hand to hand legislative combat The larger than life cast of characters ranges from Senate lions like Hubert Humphrey and Strom Thurmond to NAACP lobbyist Charles Mitchell called the 101st senator for his Capitol Hill clout and industrialist J Irwin Miller who helped mobilize a powerful religious coalition for the bill Looming over all was the figure of Lyndon Johnson who deployed all his legendary skills to steer the controversial act through Congress This critical turning point in American history has never been thoroughly explored in a full length narrative Now New York Times editor and acclaimed author Clay Risen delivers the full story in all its complexity and drama      **Papers of the Civil Rights Congress** Civil Rights Congress (U.S.),1988      **Current Index to Journals in Education** ,1983      **California Civil Discovery Practice** Carol S.
