Where Eagles Soar Venturing With God In Tough Places:

Where Eagles Soar Jamie Buckingham, 2014-12-25 Have you ever watched an eagle soar Picture one now gliding motionless on the thermal winds far above the gusts that whip the surface of the earth His movement is most graceful when he yields to the flow of the currents and lets them carry him That s the way it is with Christians says Jamie Buckingham when we relinquish our lives to the movement of God s Spirit With biblical examples like Moses Joshua and David and with graphic testimony of his own experiences Jamie Buckingham shows the consequence of resisting God s presence in the innermost recesses of our lives and the almost indescribable changes that come when we yield to Him Here is a book that shows you how your life with Christ can move beyond just being a memory of a salvation experience If you let Him God can and will lift you from your present existence and start you on a venture *Where Eagles Soar* Jamie Buckingham 1932 1992 was one of the most widely read Christian authors of his time He served in various editorial capacities with Guideposts Logos Journal Charisma and Ministries Today magazines He authored over 45 books included some for well known public figures such as Kathryn Kuhlman Corrie ten Boom Pat Robertson and others Buckingham was a leading figure in the Charismatic Movement of the 70s and 80s He was senior pastor of the interdenominational Tabernacle Church in Melbourne FL **Good Things**

Riley, 2023-04-04 For centuries the belief that God was directly engaged in our individual lives has comforted untold numbers of people but today that belief is being challenged by many within the community of faith The randomness of violence innocent suffering and inexplicable evil has pushed believers to question whether God is personal in any meaningful way How can we believe that God is involved in our daily lives when so often God appears deaf to our prayers and indifferent to our broken world *We in the Shadow* explores how or in what way God may be personal Unless this question can somehow be thoughtfully and practically answered faith will be viewed as an option only for those who skim over the incomprehensibly cruel surfaces of life with eyes closed and fingers stuck firmly in their ears [Songs of Delight for the Sunday School](#) Z. birds and wildlife of the area When his father suddenly uprooted the family and moved to the United States the oppression he associated with his childhood continued and so did his involvement with the natural world Despite the difficulty of his formative years Muir grew up to be a man of great joy first an inventor and then an explorer he found his haven in the mountains of Sierra Nevada He was a fascinating character on the one hand a recluse who sought solitude and on the other a passionate activist determined to save the places he loved A strong believer in both God and the essential goodness of humanity he was the founder and first president of the Sierra Club This wonderful memoir pays tribute to a giant of ecology and is essential reading for lovers of natural history
