Where Is History Today? Laura Mulvey, Frank Ankersmit, Daniel Pick, Tomáš Jirsa, Martin Elbel, Jiří Lach, 2015-02-05 History no longer belongs only to historians but is woven into the fabric and discourse of daily life This fresh and wide ranging survey explores how new media and new historiographic approaches are dramatically expanding what we understand by history today Controversy about the aims and limits of historical analysis has raged ever since the rise of postmodern history in the 1970s But these debates have rarely affected the understanding of history in Central and Eastern Europe The volume confirms the crucial importance of audiovisual and mass media from film to television and radio to comics but does not exclude literary scholars and art historians who are also rethinking their methods taking note of their new consumers If history formerly appeared to be a one way transmission of expertise it is increasingly a dynamic engagement between researchers and audiences

Where is Ser (The Brave Lion) River Rainbow O'Mahoney Hagg, 2022-04-07 A powerful story as seen through the eyes of an American veteran who in 2016 during the bloody civil war with ISIS flew alone to Iraq There he was able to join the Kurdish militia YPG as a combat medic sneaking into Rojava Syria These pages are his personal story and they take you to the front lines of battle in a way that will make you smell the dirt This book tears away the thin veil of war in a terrifyingly haunting way I River

Where Is the Help for Hurt When I Need It? Don Cooper, 2025-07-09 How do we heal Have you ever been hurt Most of us can say that at some point in our lives we were really hurt This hurt can harm us in a number of ways For instance the hurt can cause us to become disgusted aggravated or even angry at the person causing the hurt Often we do not recognize the anger among other emotions because we may repress or deny it However disgust aggravation or anger may cause three big things to happen to us We will sum up those items under the word anger The anger may keep us in our hurt Anger can also cause us to justify an attitude The attitude may be seeking revenge wanting to retreat etc and it may cause us to become numb Numbness is safe because when we are numb no one can hurt us Third we may turn the anger upon ourselves and anger turned inward causes depression We may want to turn the anger onto ourselves because if we let go of the anger there may be no stopping of what we might do Therefore anger is the driving force that causes one or more of the above categories And the solution is to forgive those who have hurt us But why you may ask We forgive the anger because it is the driving force that keeps our hurt alive causes us to develop an attitude or even causes us to become depressed Forgiveness is extremely hard to do at times However remember that the easy things we do really don't build character It takes a lot of forgiveness to let go However when we work on forgiveness the above mentioned items may begin to dissolve and we can begin the process of healing
