But Alfie soon begins to doubt his own sanity when disturbing things start to happen at Scarbrook. *Dark Room* Tom Becker, 2015-09-10 The camera never lies. Darla and her dad are looking for a fresh start. But when they wind up in affluent Saffron Hills, Darla stands no chance of fitting in with the beautiful selfie-obsessed teens at her new school. Just when she thinks things can't get any worse, she starts having visions. The gruesome snapshots flashing into Darla's mind seem to suggest she's going crazy until she realizes they're actually a horrifying glimpse into the future. With a killer on the loose, can she make sense of what she's seeing before it's too late?

The Coxville Murders Madison Shaw, 2009-07 The Coxville Murders is an action-packed thriller with fresh and unforgettable characters, and it will keep you up late at night, eager to finish each chapter. Just when you think you have this brilliant murder mystery figured out, plan on revising your theory. In the small, quiet backwoods town of Coxville, Arkansas, hidden deep within the shadows of the Ozark Mountains, Marion County's Sheriff Becker and Little Rock's first female homicide Inspector Daisy Forton step into a world of murder, mystery, confusion, and pure adrenaline rush. Becker, Mayor Hinds, Constable Skittle, and Governor Wallace are about to meet their match of wits. New York was an excellent training ground for solving heinous crimes, and Inspector Daisy Forton is about to show them how it is done in their neck of the woods, but first she has to fight Arkansas' finest. She is not going to give up so easily. In 1965, Forton is assigned to find the killer of three young boys, each eight years of age and each with identical multiple amputations. Becker and Forton are determined to prove each other wrong in their evidence against the only suspect they have: Thomas Buckley. But there's a problem: Buckley is innocent, or is he? Thomas is Becker's scapegoat to ending this killing spree, yet he's the loving father of Trisha Star Buckley. Inspector Forton is determined to prove that Sheriff Becker and the town of Coxville have falsely accused and arrested the wrong suspect in the killings. Throughout the media chaos and crime scene frustrations in their first investigation of the three deaths, another murder takes place right under their noses and destroys any conclusive findings from the past twelve months. The Coxville Murders is destined to be a classic thriller and a must-have for any reader of murder mysteries.
