execution and take care that his body is burnt before sundown The astrologer bowed his head in sullen resignation He was led away to the field on the Esquiline and immediately beheaded before an immense concourse within an hour Domitian was informed that all was over At this news his temper and spirit improved a little He congratulated himself on the prompt decision which had so signally proved the falsehood of the prophecy At dinner he carried on an eager conversation with Latinus the actor who among other farcical parts filled the role of news monger You are later than usual to day said Caesar graciously What detained you To be continue in this ebook
