Towards Morning 1918:

Labor's Great War Joseph A. McCartin, 2017-11-01 Since World War I says Joseph McCartin the central problem of American labor relations has been the struggle among workers managers and state officials to reconcile democracy and authority in the workplace In his comprehensive look at labor issues during the decade of the Great War McCartin explores the political economic and social forces that gave rise to this conflict and shows how rising labor militancy and the sudden erosion of managerial control in wartime workplaces combined to create an industrial crisis The search for a resolution to this crisis led to the formation of an influential coalition of labor Democrats AFL unionists and Progressive activists on the eve of U S entry into the war Though the coalition s efforts in pursuit of industrial democracy were eventually frustrated by powerful forces in business and government and by internal rifts within the movement itself McCartin shows how the shared quest helped cement the ties between unionists and the Democratic Party that would subsequently shape much New Deal legislation and would continue to influence the course of American political and labor history to the present day [Report of the Surgeon-General of the Army to the Secretary of War for the Fiscal Year Ending ...](#) United States. Surgeon-General's Office, 1919 Provides data statistical and tabular on the operations and activities of the Surgeon General s Office including financial statements reports on health and hygiene in the Army hospitals medical supplies brief agency histories etc

Texas Ranger John Boessenecker, 2016-04-26 The New York Times bestseller Frank Hamer last of the old breed of Texas Rangers has not fared well in history or popular culture John Boessenecker now restores this incredible Ranger to his proper place alongside such fabled lawmen as Wyatt Earp and Eliot Ness Here is a grand adventure story told with grace and authority by a master historian of American law enforcement Frank Hamer can rest easy as readers will finally learn the truth behind his amazing career spanning the end of the Wild West through the bloody days of the gangsters Paul Andrew Hutton author of The Apache Wars To most Americans Frank Hamer is known only as the villain of the 1967 film Bonnie and Clyde Now in Texas Ranger historian John Boessenecker sets out to restore Hamer s good name and prove that he was in fact a classic American hero From the horseback days of the Old West through the gangster days of the 1930s Hamer stood on the front lines of some of the most important and exciting periods in American history He participated in the Bandit War of 1915 survived the climactic gunfight in the last blood feud of the Old West battled the Mexican Revolution s spillover across the border protected African Americans from lynch mobs and the Ku Klux Klan and ran down gangsters bootleggers and Communists When at last his career came to an end it was only when he ran up against another legendary Texan Lyndon B Johnson Written by one of the most acclaimed historians of the Old West Texas Ranger is the first biography to tell the full story of this near mythic lawman **"Investigate Everything"** Theodore Kornweibel, Jr., 2002-05-15 Free speech for African Americans during World War I had to be exercised with great caution The federal government spurred by a superpatriotic and often alarmed white public determined to suppress any dissent against the war and require 100%

patriotism from the black population These pressures were applied by America's modern political intelligence system which emerged during the war Its major partners included the Bureau of Investigation renamed the FBI in 1935 the Military Intelligence Division and the investigative arms of the Post Office and State departments Numerous African American individuals and institutions as well as enemy aliens believed to be undermining black loyalty became their targets Fears that the black population was being subverted by Germans multiplied as the United States entered the war in April 1917 In fact only a handful of alleged enemy subversives were ever identified and none were found to have done anything more than tell blacks that they had no good reason to fight or that Germany would win Nonetheless they were punished under wartime legislation which criminalized anti war advocacy Theodore Kornweibel Jr reveals that a much greater proportion of blacks was disenchanted with the war than has been previously acknowledged A considerable number were privately apathetic while others publically expressed dissatisfaction or opposition to the war Kornweibel documents the many forms of suppression used to intimidate African Americans and contends that these efforts to silence black protest established precedents for further repression of black militancy during the postwar Red Scare

The Devil's Own War Herbert Hart, 2009 During his time Hart kept a diary which is now widely regarded as one of the most important personal sources relating to the New Zealand Expeditionary Force His service on the Western Front is the principal focus of the diary *The Devil's Own War* John Crawford, 2009-09-01 The first hardback edition of this book sold out before its official publication date and public demand has been so great that a paperback edition will now be published Brigadier General Herbert Hart landed at Gallipoli on 26 April 1915 commanded the Wellington Battalion during the closing stages of that campaign then served as a battalion and brigade commander on the Western Front between 1916 and 1918 Throughout the war he kept a diary in which he recorded his experiences in the great battles on Gallipoli the Somme and Passchendaele Hart's diary is now widely regarded as one of the most important personal sources relating to the New Zealand Expeditionary Force Exceptionally well written it includes gripping descriptions of both combat and life behind the front line and on leave in France and United Kingdom While Hart can appear quite detached at times he is also a very human observer of the events around him understanding the plight of his men finding humour in the most unlikely situations and noticing unexpected details at moments of high tension As a first hand account of life in the firestorm of World War One *The Devil's Own War* is hard to beat

Central European Crossroads Pieter C. van Duin, 2009-05-01 During the four decades of the communist regime in Czechoslovakia a vast literature on working class movements has been produced but it has hardly any value for today's scholarship This remarkable study reopens the field Based on Czech Slovak German and other sources it focuses on the history of the multi ethnic social democratic labor movement in Slovakia's capital Bratislava during the period 1867 1921 and on the process of national revolution during the years 1918 19 in particular The study places the historic change of the former Pressburg into the modern Bratislava in the broader context of the development of multinational pre 1918 Hungary

the evolution of social ethnic and political relations in multi ethnic Pressburg a tri national city of Germans Magyars and Slovaks and the development of the multinational labor movement in Hungary and the Habsburg Empire as a whole

Seeking Inalienable Rights Debra Ann Reid,2009 In essays scholars demonstrate that the history of Texans quests to secure inalienable rights and expand government protected civil rights has been one of stops and starts successes and failures progress and retrenchment The Stockton Free Public Library Bulletin Stockton (Calif.). Free Public Library,1915

Annual Report of the Secretary of War United States. War Department,1920 Annual Reports of the War Department United States. War Department,1920 Music of the First World War Don Tyler,2016-03-21 This book discusses WWI era music in a historical context explaining music s importance at home and abroad during WWI as well as examining what music was being sung played and danced to during the years prior to America s involvement in the Great War Why was music so important to soldiers abroad during World War I What role did music ranging from classical to theater music rags and early jazz play on the American homefront Music of the First World War explores the tremendous importance of music during the years of the Great War when communication technologies were extremely limited and music often took the place of connecting directly with loved ones or reminiscing via recorded images The book s chapters cover music s contribution to the war effort the variety of war related songs popular hits and top recording artists of the war years the music of Broadway shows and other theater productions and important composers and lyricists The author also explores the development of the fledgling recording industry at this time **History of 318 Field Hospital** Thomas Nelson,2017-04-20 The History of the 318th Field Hospital has been timely written for the 100 anniversary of the United States entry into WWI the Great War The story will take you from the early days in Georgia Camp Oglethorpe as the medical specialist begin to learn about army life Onto the Camp Lee Virginia experience where non specialists learn quickly how to become soldiers Experience the journey across the Atlantic Ocean and into the north east corner of France where men heard and saw the rigors of a horrific scene from their field hospital You won t forget this first hand account from the story written by the solders as they use humor to cover up what they actually saw and felt As it is sometimes called humor in uniform will help you see their journey to and back from war as they record life in the army Individual short biographies of each soldier will answer your question What happened to these men after the War *Standard Poland-China Record* Standard Poland-China Record Association, Maryville, Mo,1919 Canadian Shorthorn Herd Book Canadian Shorthorn Association,1919 Verbal Behavior Burrhus Frederic Skinner,1957 *Report of the Secretary of War, which*

Separate Spheres Brian Harrison,2012-10-09 The British feminist movement has often been studied but so far nobody has written about its opponents Dr Harrison argues that British feminism cannot be understood without appreciating the strength and even the contemporary plausibility of the Antis as the opponents of women s suffrage were called In a fully

documented approach which combines political with social history he unravels the complex politics medical diplomatic and social components of the anti suffrage mind and clarifies the Antis central commitment to the idea of separate but complementary spheres for the two sexes Dr Harrison then analyses the history of organised anti suffragism between 1908 and 1918 and argues that anti suffragism is important for shedding light on the Edwardian feminists The Antis also introduce us to important Victorian and Edwardian attitudes which are often forgotten and which differ markedly from the attitudes to women which are now familiar on the other hand his concluding chapter which surveys the period from 1918 to 1978 claims that many of these attitudes though less frequently voiced in public still influence present day conduct His book published originally in 1978 therefore makes an important contribution towards the history of the British women s movement and towards understanding Britain in the nineteenth and twentieth centuries Rounded Up in Glory Michael Grauer,2016-08-15 Frank Reaugh 1860 1945 pronounced Ray was called the Dean of Texas artists for good reason His pastels documented the wide open spaces of the West as they were vanishing in the late nineteenth century and his plein air techniques influenced generations of artists His students include a Who s Who of twentieth century Texas painters Alexandre Hogue Reveau Bassett and Lucretia Coke among others He was an advocate of painting by observation and encouraged his students to do the same by organizing legendary sketch trips to West Texas Reaugh also earned the title of Renaissance man by inventing a portable easel that allowed him to paint in high winds and developing a formula for pastels which he marketed A founder of the Dallas Art Society which became the Dallas Museum of Art Reaugh was central to Dallas and Oak Cliff artistic circles for many years until infighting and politics drove him out of fashion He died isolated and poor in 1945 The last decade has seen a resurgence of interest in Reaugh through gallery shows exhibitions and a recent documentary Despite his importance and this growing public profile however Rounded Up in Glory is the first full length biography Michael Grauer argues for Reaugh s importance as more than just a longhorn painter Reaugh s works and far reaching imagination earned him a prominent place in the Texas art pantheon The Official History of the 315th Infantry U. S. A. ,1920

Yeah, reviewing a book **Towards Morning 1918** could accumulate your close associates listings. This is just one of the solutions for you to be successful. As understood, carrying out does not recommend that you have astonishing points.

Comprehending as well as settlement even more than extra will allow each success. bordering to, the proclamation as without difficulty as sharpness of this Towards Morning 1918 can be taken as capably as picked to act.
