that the money had run out This book by one of the country's foremost experts on party politics seeks to answer all those questions and in the run up to the 2015 general election to ask one more will Ed Miliband's five year mission turn out to be mission impossible *Al Muhajiroun* Douglas Weeks, 2020-03-27 Grounded in nine years of ethnographic research on the al Muhajiroun Ahlus Sunnah Wal Jamaah movement ALM ASWJ Douglas Weeks mixes ethnography and traditional research methods to tell the complete story of al Muhajiroun Beginning with three core events that became a primer for radical Islamic political thought in the UK *Al Muhajiroun A Case Study in Islamic Activism* traces the development of the movement from its incipient beginnings to its current status Based on his extensive interaction with the group and its leaders Weeks contextualizes the history beliefs methods and differences between ALM ASWJ al Qaeda and the Islamic State so that the group and the threat it poses is comprehensively understood *Australian Climate Policy and Diplomacy* Ben L. Parr, 2019-12-11 *Australian Climate Policy and Diplomacy* provides a well overdue critique of existing and high profile publications that convey the greenhouse mafia hypothesis which posits that Australia's weak policy response to climate change is the result of a menacing domestic fossil fuel lobby Ben L Parr argues that the shared government industry discourse about protecting Australia's industrial competitiveness has had a more decisive influence in shaping and legitimising Australian climate policy than the direct lobbying tactics of the fossil fuel industry Parr also reveals how the divergent foreign policy discourses and traditions of Australia's two major political parties as internationalist versus alliance focused have enabled and constrained their climate diplomacy and domestic policies over time To demonstrate his argument he presents a discourse analysis woven into a chronological policy narrative comprising more than 1000 primary texts media releases interviews and speeches generated by prime ministers and key fossil fuel lobbyists Overall this volume illustrates how domestic forces have and are influencing Australia's climate policy In doing so it also provides a framework that can be adapted to examine climate mitigation policies in other countries notably Canada and the US This book will be of interest to students and scholars of climate change environmental policy and governance and Australian climate change policy and politics more specifically as well as policymakers and practitioners working in these fields *Media Law and Policy in the Internet Age* Doreen Weisenhaus, Simon N M Young, 2017-02-23 The Internet brings opportunity and peril for media freedom and freedom of expression It enables new forms of publication and extends the reach of traditional publishers but its power increases the potential damage of harmful speech and invites state regulation and censorship as well as manipulation by private and commercial interests In jurisdictions around the world courts lawmakers and regulators grapple with these contradictions and challenges in different ways with different goals in mind The media law reforms they are adopting or considering contain crucial lessons for those forming their own responses or who seek to understand how technology is driving such rapid change in how information and opinion are distributed or restricted In this book many of the world's leading authorities examine the emerging landscape of reform in nations with variable political and legal contexts They

analyse developments particularly through the prisms of defamation and media regulation but also explore the impact of technology on privacy law and national security Whether as jurists lawmakers legal practitioners or scholars they are at the front lines of a story of epic change in how and why the Internet is changing the nature and raising the stakes of 21st century communication and expression
