How to Reach More People Jerry Wilkins, 2017-10-17 Why do we need better communication skills It s the question many church leaders are asking What can our church do to reach more people The question arises from two convictions First we are commanded to compel people into the Kingdom and we are to be witnesses of Jesus and the gospel to everyone But we have a haunting sense that we have not yet completed this great commission The second conviction is that our church will die if we don t reach more people A changing world is putting our message and method to the test How can we be true to the message and at the same time use all the tools resources and skills we now have available Jerry believes God gives the increase and people don t come to the Father unless the Spirit convicts and draws them But he focuses on the part we must play in the process God s word says we must plant and water the seed of the gospel He says we are to proclaim His truth and compel people into the Kingdom by always communicating the reason for our faith Jerry believes we are inviting but not compelling This book gives clear direction as to how we should word our message and how to use every communication method available to us and in the best possible way He has given us a clear and practical plan for a more effective yet practical strategy of church communication Jerry Wilkins has his B A in marketing and has his Masters from Southwestern Seminary He has studied and applied marketing and communication skills first as a Pastor and then as a denominational leader for thirty years He is respected as a church communication strategist He has authored several books including *Marketing Your Sunday School Smooth Sailing Avoiding Storms in Your Ministry and Resolving Conflict God s Way* Jerry resides in Alabama with his wife of 50 years and has two grown children and one granddaughter

The Church of the Perfect Storm Leonard Sweet, 2010-09-01 The church is heading into a perfect storm of cultural forces Will you sink beneath the waves or ride the winds of the Spirit An array of cultural forces is coming together to present the

church with unprecedented challenge and unequalled opportunity Such category 5 realities as postmodernism postChristendom attacks on belief in God and the threat of global warming have coalesced to make a perfect storm that will leave people uncertain of their place in the world and all they have previously believed in Like the disciples when Jesus calmed the storm the church can cower and cry out for relief Or when everything is spinning and whirling in the wind the church can go out to meet the storm embrace the gale and pass out kites From the Circuit Rider review Like other books Sweet has written and compiled The Church of the Perfect Storm is thought provoking and compelling The material flows in such a way that allows readers to grasp the gravity of the situation However as with most futuristic material there is also a sense in which readers may want to know Okay now what Where do we need to steer this ship Are mainline and evangelical churches so off course as to fail to weather the rising tides that are here and soon coming Readers of this volume may enjoy the description of a post Christendom world but they may also want to know more about the prescription for the days ahead [Click here to read the entire review](#)

and Alcohol: Finding Peace in the Midst of the Broken Pieces Mimi Kashira Haws,2023-10-04 As people we all struggle with stress moments of panic times of confusion and other times that we feel overwhelmed and we can t sleep And if it was up to the devil he would be more than happy to medicate all of us with his fake remedies of alcohol and drugs He is an opportunist experienced in using our problems our vulnerability our wounding our pain our traumatic past experiences to get us where he wants He is good at offering temporary relief for deeper crises of the soul This is my true story of God stepping into my messy shattered and broken family life and rescuing me You see freedom according to Satan is being away from God I don t think my son had any idea of who the devil was or how cunning he could be He befriends to destroy he gives to take away As a mother of an adult struggling with addiction my life was paralyzed Every breath increased my pain of hopelessness and despair I felt afraid alone and abandoned by God God seemed distant absent silent and unconcerned I felt like running but there was no place to hide Was God punishing me Where and how did I go wrong Sharing my painful journey was not an easy step I tried at all costs to hide this painful part of my life It took years in my classroom of pain for my mind to be unshackled by the Teacher the Holy Spirit I no longer need to hide nor be ashamed of my challenges with my prodigal son Nevertheless breaking free from shame stigma and judgment is a process that took years When we only let others see the beautiful parts of our stories avoiding our broken painful chapters we mislead people and perhaps they envy us for what they

falsely think are perfect lives Worse we misrepresent the power of the good news that reaches down into our broken souls hearts and lives to provide peace from our broken pieces Dear waiting praying and expecting parents of struggling children I believe God wants to usher you to your own breakthrough healing and freedom You can learn to relinquish your child ren to God Do not lose hope Have faith In his time he will make all things beautiful for us God wastes nothing even our pain
