*Cracking the Code to Profit* Ryan J. Sciamanna,2018-01-25 What is Cracking the Code to Profit Cracking the Code to Profit is the complete start to finish blueprint for building a REAL BUSINESS in the lawn care and landscaping industry The author Ryan Sciamanna shares all his knowledge on how he went from a solo operator to six crews in three years Who is the book for Cracking the Code to Profit is for anyone thinking about

starting a lawn care business to companies trying to break through the 200k to 300k gross revenue barrier If you would like to but are not already making 100k per year as the owner of your lawn care company you will benefit from reading this book Why Ryan wrote the book In 2016 Ryan narrowed his lawn care companies service offering down to lawn mowing and lawn treatments only Prior to that his company was a full service lawn and landscape service provider offering all of the typical services including mulching pruning cleanups leaf removals hardscapes landscape design and installation and snow removal He made the change in his business model to increase profit margins and reduce the amount of time required of him as the owner of the business Naturally he needed to find referral partners for his lawn care customers because they still had other lawn and landscape needs his company no longer performed He contacted several other lawn and landscape business owners in his area and told them he wanted to send them referrals for the work his company no longer performed and only asked they don t steal his customers for the services they were still providing After shooting off the first several referrals Ryan quickly realized that a lot of these companies needed help and until they improved their business operations referring his clients to them was only making him look bad He has since stopped referring work with the exception of a couple companies that proved they would provide his customers quality work at fair prices and actually be reliable Ryan says I think most lawn care business owners started their business just like I did they enjoyed the work and were good at it so they said why not work for myself In the beginning it usually goes pretty smooth but as they add more and more customers and eventually need to hire employees they get in over their heads I did the same thing but quickly educated myself on how to run an actual business and not just be self employed He organized all of his knowledge into Cracking the Code to Profit in hopes it will save new business owners years of frustration Ryan read a similar book before he started his business that his father had bought for him online It was actually just a word document that someone had written on starting a lawn care business and his dad printed it off for him It cost his father 79 95 for that Ryan still has that book and even though it was overpriced terrible quality and a lot of the information was not good he still credits that book towards helping him get his business off the ground What you can expect from Cracking the Code to Profit How to Start a Lawn Care Business The book flows in chronological order from starting your business to your exit strategy Ryan put every detail he could recall from his own experience You can see the book chapters in the book preview After each chapter action steps are included so you know exactly what you need to do At the end of the book you will find the resource section for continued learning and execution You can expect to have a much better understanding of how to start and grow your lawn care business is a healthy profitable way Ryan s contact info is also included in the book He would love to hear from you after you finish it
