Best Travel Series of the Year 2008 Hooper Brad, author. **FEATURE** First published September 15, 2008. Booklist: We select the Little Black Travel Books as our travel guide series of the year. The main reasons for designating these guides as best of the year are their portability and user-friendliness: each volume has a neat, tidy and nicely detailed foldout map to the particular area under discussion. The chapters in each volume correspond to the geographical areas into which the authors divide the city for the tourist. Each chapter gives basics on places to see, available art and entertainment venues, places to eat and drink, where to shop, and where to stay. You can study a range of guides before your actual trip, but this is definitely a commendable candidate for carrying with you on site.
