Don't Look, Don't Touch, Don't Eat Valerie Curtis, 2022-12-22 A scientist delves into what disgusts us and why For a book riddled with rancid and revolting things it is surprisingly difficult to put down *Times Literary Supplement* Every flu season sneezing coughing and graphic throat-clearing become background noise in workplaces And coworkers tend to move as far and as quickly away from the source of these bodily eruptions as possible Instinctively humans recoil from objects that they view as dirty and even struggle to overcome feelings of discomfort once the offending item has been cleaned These reactions are universal and although there are cultural and individual variations by and large we are all disgusted by the same things In this book Valerie Curtis builds a strong case for disgust as a shadow emotion less familiar than love or sadness it nevertheless affects our day-to-day lives In disgust biological and sociocultural factors meet in

dynamic ways to shape human and animal behavior Curtis traces the evolutionary role of disgust in disease prevention and hygiene but also shows that it is much more than a biological mechanism Human social norms from good manners to moral behavior are deeply rooted in our sense of disgust The disgust reaction informs both our political opinions and our darkest tendencies such as misogyny and racism Through a deeper understanding of disgust Curtis argues we can take this ubiquitous human emotion and direct it towards useful ends from combating prejudice to reducing disease Curtis one of the deepest thinkers and cleverest researchers on this part of human nature turns revulsion into fascination Steven Pinker Great fun Toronto Star Don't touch this book! Jan van Helsing,2013-11-21 You are surely now asking yourself why you are supposed to keep your hands off this book Is it just a clever advertising strategy Hardly so As you know two books of Jan van Helsing had been banned in Germany and Switzerland due to their highly controversial contents And the mainstream media too barely lets a day go by without warning the populace about the ideas of Germany s most dangerous author of specialized books Now Jan van Helsing is once again shaking up someone s world view yours The advice Don t touch this book absolutely was meant to be taken seriously Because after reading this book it won t be easy for you to continue living your life the way you have been Today you could possibly still think Nobody told me this so how was I supposed to know Today you could also still hold the opinion that you as an individual have no say anyway and cannot change anything However after reading this book this point of view will be history If you are someone who is not interested in secrets who has never felt the wish for internal and external wealth who is unconcerned about success and health then it will certainly be better if you follow the well meant advice and keep your hands off this book But if you have always felt that something isn t quite right with this world if you are interested in the last secrets of this enlightened world and if you are someone who wants to find out what else life might have in store then this book is for you But don t say you haven t been warned Because Jan van Helsing will tell you about things and events that will give you a chance to have power over your own life and the power to let others partake in it And those who have power also bear a huge responsibility So now you have to make a choice Do you want to continue being lived by others or has the time come for you to take charge of your own destiny The decision is yours **Fathom**,1985 *IPad Pro User Guide For Beginners* Джим Вуд,2021-05-18 This book will help you explore some features of your iPad Pro that you probably didn t know existed and also get you started on your device in no time You can also buy it as a gift for that son or daughter of yours who already like fiddling with devices this book will get him or her up to speed in no time A Comprehensive User Guide and Manual for New Users of the iPad Pros Even though iPad Pros are great right out of the box you are likely to get more from them if you know how to use them by reading a book like this one So if you are someone who has recently acquired the new iPad Pro and now needs guidance on how best to take advantage of its many features that are not immediately obvious to ordinary end users Or you may even be someone who is not new to the Apple ecosystem but only just made an upgrade from previous versions of the iPad and it is beginning to seem as if Apple has completely changed the

interface and removed or relocated some of your previous favorite features then this book was written with you in mind We all know that the iPad Pro from Apple remains one of the world's most renowned flagships when set up properly it can become more than being just a phone You can use it as a productivity tool in your business you can make it an indispensable social media aide e book reader and a travel companion All these can become possible once you learn how to better utilize the iPad Pro This book has been written as a step by step guide for you to go through what you need to navigate around the iPad Pro It covers many of the important features that users need to know and allows users to jump to any section of the book that they feel they want to focus on That means the guide is written in a way that even if you do not want to follow the order in which it was written you are still able to make the most of it Some of the included contents Simple and easy to understand step by step instructions on how to first setup your device Latest tips and tricks to help you enjoy your device to the fullest Using the Face ID Hidden features Organizing apps with the App Library Buying removing rearranging and updating apps Taking editing organizing and sharing photos Introducing some important Apple Services Using Siri And lots more **Can't**
