Craft Beer Movement Wesley Shumar,Tyson Mitman,2023-03-31 Producing and Consuming the Craft Beer Movement is an
 ethnographic analysis of the craft beer movement and its rapid development as an industry that articulated a different set of
 values celebrating quality community and good taste This book will provide an excellent foundation for considering craft beer
 and an entrepreneurial practice that produces other forms of value beyond monetary value The craft beer movement has
 been an important movement for thinking about contemporary consumer culture and how that consumer culture might
 develop a very different set of values and priorities from those of the dominant consumer culture that is created by large
 scale industries focused on the instrumental values of profit and efficiency Located in one site the ethnography is situated
 within the larger context of the rise of digital media the evolution of cities and the latest stage of the capitalist marketplace
 The book is distinctive as it is ethnographic in its methodology It is focused on one locale the metropolitan area around
 Philadelphia Philadelphia along with Boston Denver San Diego and a few other cities was a central location for the early
 development of the craft beer industry With its interdisciplinary approach individuals with interests in digital and social
 media consumer culture political economy ethnography and contemporary cultural theory will find this an interesting case
 study of an important industry that developed from the homebrewing movement to become an important craft industry that is
 now a global phenomenon This book is directed to a broad range of readers interested in new media consumer culture craft
 and contemporary capitalist culture The book embeds the local in the larger historical and political economic context
 Readers would include faculty members in communication media studies cultural studies sociology and anthropology
 Students at a graduate and upper level undergraduate level would be interested as well **Bureau of Ships Journal**

The Halo Fold Nick Adams, 2024-10-25 This needs to be picked up by Netflix and made into a TV show Absolutely brilliant Goodreads In the vein of great writers like Harry Harrison and Robert A Heinlein Amazon Nick Adams is a storyteller of rare ability Goodreads I read a lot of sci fi and this is in the top percent Amazon Superb writing editing and excellent storytelling Kobo The best sci fi series I have read in a while Amazon The Halo Fold A stolen tablet containing classified files leads Edward Virr and the crew of the Gabriel to the distant Halo region of the Milky Way They discover an awakening threat dormant for several hundred thousand years and this time the alien threat is not human but something from everyone s darkest nightmare Back in GDA space Admiral Bache Loftt has problems of his own trying to rebuild his decimated fleet and can only spare one ship to help skippered by the navy s youngest and least experienced captain Grogun Whipper The threat seemingly a long way away rapidly escalates and manifests much closer to home Threatening hundreds of human settled worlds with population extermination including Earth Loyalties friendships and tempers are tested to breaking point as nothing it seems ever goes to plan The Fold Series The Architect Fold Short Story Prequel The Initial Fold The Andromedan Fold The Messier Fold The Cygnus Fold The Acheron Fold The Medusa Fold The Halo Fold Author Note For the benefit of my awesome fans across the pond this novel is written in UK English and may include a few colloquialisms and spellings that you don t recognise There is understandably considering the circumstances a bit of swearing involved We do swear a bit in England just put it down to eccentricity or maybe our spirited Anglo Saxon heritage Another unusual trait of the Brits is to use humour in stressful situations Just ask anyone who s been on active service with the British Armed Forces It helps to keep one sane Now you re all prepared I hope you enjoy the yarns Cheers for now Nick Adams
