Get the Most from your SMARTboard Danny Nicholson,2015-05-29 Become a whizz with your whiteboard with these easy tutorials Danny uses his many years experience as a SMARTboard trainer to inspire teachers to use their boards in a more creative way This book will give you many quick and easy practical ways to get the very best from your SMARTboard Step by step tutorials walk you through the process of making fun and engaging resources There are ideas for all age ranges and subject areas *The Primary ICT & E-learning Co-ordinator's Manual* James Wright,2007-05-23 This book is absolutely wonderful It will be my new Bible I have used it loads already in preparation for my ICT Mark assessment Taking on the role of ICT co ordinator can be quite a daunting task but this step by step guide breaking things down into manageable chunks will be very supportive I love the blogging idea the comments made by the characters are very realistic This is just what new co ordinators need I wish I d had this when I took over co ordination of ICT Christine Beedham Primary ICT adviser Warrington Every primary school has the daunting task of embedding ICT and e learning into their curriculum This practical manual is the first part of a two volume set that together makes up a detailed two year training programme for primary ICT and e learning co ordinators The books combine key strategies and information with a weblog discussion from a group of virtual co ordinators who share their problems fears and successes over the two year programme based on the author s wide experience of working with new co ordinators and experienced staff on training programmes and in general support Book 1 is designed specifically for co ordinators new to the role who need starting points and broad support It presents a structured training programme split over three terms guiding co ordinators through the key stages of developing and implementing ICT policy and practice including o auditing existing school systems o reviewing and revising the school policy for ICT o reviewing the ways in which ICT is used as a teaching and learning tool across the curriculum o examining methods for the management of technical support services o establishing a clear overview of standards in ICT including a review of assessment procedures moderating work monitoring teaching and learning and creating E Portfolios The books have a companion website which will offer downloadable versions of the photocopiable sheets from the book as well as links to other sources of help and advice **Official (ISC)2 Guide to the CISSP CBK** Steven Hernandez, CISSP,2006-11-14 The urgency for a global standard of excellence for those who protect the networked world has never been greater ISC 2 created the information security industry s first and only CBK a global compendium of information security topics Continually updated to incorporate rapidly changing technologies and threats the CBK continues to serve as the basis for ISC 2 s education and certification programs Unique and exceptionally thorough the Official ISC 2 Guide to the CISSP CBK provides a better understanding of the CISSP CBK a collection of topics relevant to information security professionals around the world

Although the book still contains the ten domains of the CISSP some of the domain titles have been revised to reflect evolving terminology and changing emphasis in the security professional's day to day environment. The ten domains include information security and risk management, access control, cryptography, physical environmental security, security architecture and design, business continuity, BCP and disaster recovery planning, DRP, telecommunications and network security, application security, operations security, legal regulations and compliance, and investigations. Endorsed by the ISC 2, this valuable resource follows the newly revised CISSP CBK providing reliable current and thorough information. Moreover, the Official ISC 2 Guide to the CISSP CBK helps information security professionals gain awareness of the requirements of their profession and acquire knowledge validated by the CISSP certification. The book is packaged with a CD that is an invaluable tool for those seeking certification. It includes sample exams that simulate the actual exam providing the same number and types of questions with the same allotment of time allowed. It even grades the exam, provides correct answers, and identifies areas where more study is needed.

Expanding the Vision of Faculty Learning Communities in Higher Education Kristin N. Rainville, David G. Title, Cynthia G. Desrochers, 2024-04-01. This edited book on Faculty Learning Communities (FLCs) explores the ways in which FLCs have expanded across platforms, spaces, and focus while maintaining the core values and elements of original FLCs. The first section investigates ways that FLCs support faculty retention, teaching, and scholarship. The second section offers examples of FLCs focused on teaching that is responsive to student learning. The third section explores the move to online and virtual FLCs. The fourth section explores FLCs that create and foster faculty belonging, communities of care, and the integration of mindfulness. The fifth section looks at multi-year long-term progression and impact of FLCs. The book's foreword by Milton D. Cox investigates the evolution of leadership of and within faculty learning communities as they expand.
