FIREARMS INSTRUCTOR'S MANUAL R.E. Parham,1999-01-01 This manual has been written with the Law Enforcement Firearms Instructor in mind It is an attempt to save the instructor time by furnishing already prepared outlines that cover most of the subject currently taught by and to law enforcement personnel The purpose of the manual is twofold First it can be used by current firearms instructors as a handy reference guide and also as a way of keeping all of the firearms outlines in one simple format By preparing the manual in this fashion all of an instructor s outlines are easily accessible should an instructor s class be challenged by the legal system Secondly this manual can be used as the text for firearms instructor initial certification classes Once the new instructor completes the basic certification course he or she will have a complete set of outlines that can be used for teaching their classes The first four outlines in this manual The Role of the Firearms Instructor Safety Responsibilities Record Keeping and Discipline are generally used during instructor development classes The rest of the outlines while also used in instructor development classes are also appropriate for basic recruit classes as well as classes that are designed for in service personnel The Appendix contains material that can be used as class handouts or made into overheads for class presentations Some of the courses can be used for general firearms qualification while others are used for training a specific skill such as linear and lateral movement or multiple attackers The manual has been written to take the pain out of the office work part of being a firearms instructor and to give the instructor more time to teach

Shooter's Bible Guide to Concealed Carry, 2nd Edition Brad Fitzpatrick,2019-01-15 If you are one of the millions of Americans who chooses to exercise your Second Amendment Right but haven t quite mastered the proper technique with guns then this is the essential manual for you It is your right to carry a firearm to protect yourself and your family However it is your responsibility to know how to operate that gun correctly and safely Don t wait to be placed in a dangerous setting faced with an armed attacker The updated second edition of the Shooter s Bible Guide to Concealed Carry is an all encompassing resource that not only offers vital gun terminology but also suggests which gun is the right fit for you and how to efficiently use the device properly be it in public or home Firearm expert Brad Fitzpatrick examines how to practice how to correct mistakes and how to safely challenge yourself when you have achieved basic skills Included within is a comprehensive chart describing the various calibers for concealed carry suitable instructions for maintaining it and most importantly expert step by step instructions for shooting Once again renowned firearms expert Fitzpatrick delivers poignant tips and provides valuable information The purpose of this book is to familiarize yourself with firearms and to gain the confidence you need to protect yourself in the worst of situations My experience working with Skyhorse is always a positive collaboration The editors are first rate professionals and my books receive top shelf treatment I truly appreciate our working relationship and hope it continues for years to come David Fischer author
