Smut Two Unseemly Stories:

Smut Alan Bennett, 2012 **Smut** Alan Bennett, 2012-01-03 One of England's finest and most loved writers explores the uncomfortable and tragicomic gap between people's public appearance and their private desires in two tender and surprising stories In *The Greening of Mrs Donaldson* a recently bereaved widow finds interesting ways to supplement her income by performing as a patient for medical students and renting out her spare room Quiet middle class and middle aged Mrs Donaldson will soon discover that she rather enjoys role play at the hospital and the irregular and startling entertainment provided by her tenants In *The Shielding of Mrs Forbes* a disappointed middle aged mother dotes on her only son Graham who believes he must shield her from the truth As Graham's double life becomes increasingly complicated we realize how little he understands not only of his own desires but also those of his mother A master storyteller dissects a very English form of secrecy with two stories of the unexpected in otherwise apparently ordinary lives *Smut* Alan Bennett, 2011-05-05 The *Shielding of Mrs Forbes* Graham Forbes is a disappointment to his mother who thinks that if he must have a wife he should have done better Though her own husband isn't all that satisfactory either Still this is Alan Bennett so what is happening in the bedroom and in lots of other places too is altogether more startling perhaps shocking and ultimately more true to people's predilections *The Greening of Mrs Donaldson* Mrs Donaldson is a conventional middle class woman beached on the shores of widowhood after a marriage that had been much like many others happy to begin with then satisfactory and finally dull But when she decides to take in two lodgers her mundane life becomes much more stimulating **A Dictionary of Writers and their Works** Christopher Riches, Michael Cox, 2015-01-29 Over 3 200 entries An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present There is also some coverage of non fiction such as biographies memoirs and science as well as inclusion of major American and Commonwealth writers This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist Each entry provides details of a writer's nationality and birth death dates followed by a listing of their titles arranged chronologically by date of publication *Smut* , 2012 *Six Poets* Alan Bennett, 2015-10-06 The inimitable Alan Bennett selects and comments upon six favorite poets and the pleasures of their works In this candid thoroughly engaging book Alan Bennett creates a unique anthology of works by six well loved poets Freely admitting his own youthful bafflement with poetry Bennett reassures us that the poets and poems in this volume are not only accessible but also highly enjoyable He then proceeds to prove irresistibly that this is so Bennett selects more than seventy poems by Thomas Hardy A E Housman John Betjeman W H Auden Louis MacNeice and Philip Larkin He peppers his discussion of these writers and their verse with anecdotes shrewd appraisal and telling biographical detail Hardy lyrically recalls his first wife Emma in his poetry although he treated her shabbily in real life The fabled Auden was a formidable and off putting figure at the lectern Larkin hoping to subvert

snooping biographers ordered personal papers shredded upon his death Simultaneously profound and entertaining Bennett's book is a paean to poetry and its creators made all the more enjoyable for being told in his own particular voice its creators made all the more enjoyable for being told in his own particular voice [Keeping On Keeping On](#) Alan Bennett, 2017-11-07 One of NPR's Best Books of the Year Humorous surprising disarmingly human essays and comic pieces from one of England's national treasures The Washington Post Book World A Milwaukee Journal Sentinel Best Book of the Year A Lambda Literary Award finalist Bringing together the hilarious revealing and lucidly intelligent writing of one of England's best known literary figures Keeping On Keeping On contains Tony Award winning playwright Oscar nominated screenwriter and actor Alan Bennett's diaries from 2005 to 2015 with everything from his much celebrated essays to his irreverent comic pieces and reviews reflecting on a decade that saw four major theater premieres and the films of The History Boys and The Lady in the Van This entertaining chronicle of a life in letters comes from a singular voice with a highly tuned ironic wit his special brand of gentleness laced with arsenic The New York Times Book Review Part of the pleasure of his diaries is the sense that Bennett tells them things he would never say out loud The New York Review of Books Consistently funny and touching The Telegraph

Cervantes: The Complete Exemplary Novels Barry W. Ife, Jonathan Thacker, 2013-11-18 Originally published in four separate volumes this publication sees all 12 Novelas Ejemplares as a single volume for the first time in English Each story has an individual introduction the original Spanish text with facing English translation and notes *Four Stories* Alan Bennett, 2015-12-03 Like everything Bennett does these stories are playful witty and painfully observant of ordinary people s foibles They all have brilliant twists are immensely entertaining and highly moral And all are modern classics The Laying on of Hands The painfully observant account of a memorial service for a masseur to the famous The Clothes They Stood Up In The comic tale of an elderly couple s trials after their flat is stripped completely bare Father Father Burning Bright The savage satire on the family of a dying man who rules over them from his hospital bed The Lady in the Van The true story of

the eccentric old woman who is invited to live in a homeowner's front garden. She stays there in her van for fifteen years. The home is Alan Bennett's. It became a West End hit and a major film starring Maggie Smith. **The Clothes They Stood Up In** Alan Bennett, 2014-05-09. The Clothes They Stood Up In is Alan Bennett's first story. Like Charles Dickens novels which were first published in magazines, it originally appeared in the London Review of Books, which the author says seems to me and not just because I occasionally contribute to it, the liveliest, most serious and also the most radical literary periodical we have. *Father! Father! Burning Bright* Alan Bennett, 2014-05-09. Alan Bennett's second story. This time set in the 1970s in classic Bennett country, Yorkshire. On the many occasions Midgley had killed his father, death had always come easily. He died promptly, painlessly and without a struggle. Looking back, Midgley could see that even in these imagined deaths, he had failed his father. It was not like him to die like that. Nor did he. Midgley is determined to deny his father a last occasion to be disappointed in him. He will do the right thing and sit by his father's bed side in Intensive Care until he dies. But even when he is unconscious, his father manages to make Midgley's life a misery. This is another classic story by Alan Bennett with brilliant portraits of social hypocrisy and stifling family relationships. *The Writers Directory*, 2013. *Due storie sporche* Alan Bennett, 2011-11-04T00:00:00+01:00. Due racconti che esplorano una vena insolita per Alan Bennett. In Mrs Donaldson ringiovanisce una rispettabile vedova di mezza età e si trova nell'inaspettato ruolo di voyeur. In Mrs Forbes non deve sapere assistiamo invece a una sorprendente girandola di amplessi, ricatti e segreti. Il tutto sotto il segno di uno stile e di un'ironia di cui solo Bennett tra i suoi contemporanei sembra conoscere l'alchimia. *The Literary Review*, 2012.
