A History of the Laws of War: Volume 2

Alexander Gillespie, 2011-10-07 This unique new work of reference traces the origins of the modern laws of warfare from the earliest times to the present day Relying on written records from as far back as 2400 BCE and using sources ranging from the Bible to Security Council Resolutions the author pieces together the history of a subject which is almost as old as civilisation itself The author shows that as long as humanity has been waging wars it has also been trying to find ways of legitimising different forms of combatants and ascribing rules to them protecting civilians who are either inadvertently or intentionally caught up between them and controlling the use of particular classes of weapons that may be used in times of conflict Thus it is that this work is divided into three substantial parts Volume 1 on the laws affecting combatants and captives Volume 2 on civilians and Volume 3 on the law of arms control This second book on civilians examines four different topics The first topic deals with the targetting of civilians in times of war This discussion is one which has been largely governed by the developments of technologies which have allowed projectiles to be discharged over ever greater areas and attempts to prevent their indiscriminate utilisation have struggled to keep pace The second topic concerns the destruction of the natural environment with particular regard to the utilisation of starvation as a method of warfare and unlike the first topic this one has rarely changed over thousands of years although contemporary practices are beginning to represent a clear break from tradition The third topic is concerned with the long standing problems of civilians under the occupation of opposing military forces where the practices of genocide collective punishments and or reprisals and rape have occurred The final topic in this volume is about the theft or destruction of the property of the enemy in terms of either pillage or the intentional devastation of the cultural property of the opposition As a work of reference this set of three books is unrivalled and will be of immense benefit to scholars and practitioners researching and advising on the laws of warfare It also tells a story which throws fascinating new light on the history of international law and on the history of warfare itself

The Real History of the Cold War Alan Axelrod, 2009 Reveals the intriguing suspenseful true story behind the globe spanning battle of wills between the US and the Soviet Union after the fall of Nazi Germany

[A Documentary History of Religion in America Since 1877](#) Edwin S. Gaustad, Mark A. Noll, 2003-09-19 A richly variegated selection of short documents illustrative of the history of religion in America The best source book available to contemporary students and general readers

World

History, 2000 **The Making of the Cold War Enemy** Ron Theodore Robin, 2009-04-30 At the height of the Cold War the U S government enlisted the aid of a select group of psychologists sociologists and political scientists to blueprint enemy behavior Not only did these academics bring sophisticated concepts to what became a project of demonizing communist societies but they influenced decision making in the map rooms prison camps and battlefields of the Korean War and in Vietnam With verve and insight Ron Robin tells the intriguing story of the rise of behavioral scientists in government and how their potentially dangerous American assumptions about human behavior would shape U S views of domestic disturbances and insurgencies in Third World countries for decades to come Based at government funded think tanks the experts devised provocative solutions for key Cold War dilemmas including psychological warfare projects negotiation strategies during the Korean armistice and morale studies in the Vietnam era Robin examines factors that shaped the scientists thinking and explores their psycho cultural and rational choice explanations for enemy behavior He reveals how the academics intolerance for complexity ultimately reduced the nation s adversaries to borderline psychotics ignored revolutionary social shifts in post World War II Asia and promoted the notion of a maniacal threat facing the United States Putting the issue of scientific validity aside Robin presents the first extensive analysis of the intellectual underpinnings of Cold War behavioral sciences in a book that will be indispensable reading for anyone interested in the era and its legacy *Cinematic Cold War* Tony Shaw, Denise Jeanne Youngblood, 2010 The first book length survey of cinema s vital role in the Cold War cultural combat between the U S and the USSR Focuses on 10 films five American and five Soviet both iconic and lesser known works showing that cinema provided a crucial outlet for the global debate between democratic and communist ideologies **The Cold War** Josepha Sherman, 2004 Chronicles the Cold War from its origins in the Soviet Revolution as the twentieth century began to the collapse of the Soviet Union as the century closed **Access to History: The Cold War in Asia 1945-93 for OCR Second Edition** Vivienne Sanders, 2015-10-30 Exam Board AQA Edexcel OCR WJEC Level A level Subject History First Teaching September 2015 First Exam June 2016 Give your students the best chance of success with this tried and tested series combining in depth analysis engaging narrative and accessibility Access to History is the most popular trusted and wide ranging series for A level History students This title Supports the content and assessment requirements of the 2015 A level History specifications Contains authoritative and engaging content Includes thought provoking key debates that examine the opposing views and approaches of historians Provides exam style questions and guidance for each relevant specification to help students understand how to apply what they have learnt This title is suitable for a variety of courses including OCR The Cold War in Asia 1945 1993 **The Cambridge History of the Cold War** Melvyn P. Leffler, Odd Arne Westad, 2010-03-25 This volume examines the origins and early years of the Cold War in the first comprehensive historical reexamination of the period A team of leading scholars shows how the conflict evolved from the geopolitical ideological economic and sociopolitical environments of the two world wars and interwar period *From Hot War to Cold* Jeffrey G.

Barlow,2009-01-12 This book discusses the role of the U S Navy within the country s national security structure during the first decade of the Cold War from the perspective of the service s senior uniformed officer the Chief of Naval Operations and his staff It examines a variety of important issues of the period including the Army Navy fight over unification that led to the creation of the National Security Act of 1947 the early postwar fighting in China between the Nationalists and the Communists the formation of NATO the outbreak of the Korean War the decision of the Eisenhower Administration not to intervene in the Viet Minh troops siege of the French garrison at Dien Bien Phu and the initiation of the Eisenhower New Look defense policy The author relies upon information obtained from a wide range of primary sources and personal interviews with important senior Navy and Army officers The result is a book that provides the reader with a new way of looking at these pivotal events

A Technological History of Cold-War India, 1947-1969 William A.T. Logan,2021-11-01 This book provides a technological history of modern India in particular the Nehruvian development in the context of the Cold War Through a series of case studies about military modernization transportation infrastructure and electric power it examines how the ideals of autarky and technological indigenization conflicted with the economic and political realities of the Cold War world Where other studies tend to focus on the political leaders and economists who oversaw development this book demonstrates how the perspective of the engineers government bureaucrats and aid workers informed and ultimately implemented development

A Year Since the Return of History: A New Cold War Richard Sakwa,Li Bennich-Björkman,Ziya Öniş,Nicolai N. Petro,İlter Turan,Anders Wivel,James A. Russell,Sırma Altun,Emre Demir,Greg Simons,Jonathan Beloff,Oğul Tuna,Luca Cinciripini,Gün Ünal,Aybars Arda Kılıçer,Enes Özcan,Shovkat Jabarova ,Ali Demircioğlu,2023-03-01 The last one year proved itself to be a very tough year and it brought many new challenges for the international relations Among these new challenges the most striking one is probably the Russia s unleashing a war of aggression on Ukraine As Russia s invasion stepped up on the 24 February 2022 many Western experts and policymakers predicted that the Ukrainian armed forces wouldn t be able to defend Kyiv and that it would fall to the invaders before the month ended Nonetheless the government and people of Ukraine are still fighting and you can see evidence of this everywhere you walk in Kyiv thanks to the flag of free Ukraine flying from rooftops It is clear that we are entering a new era in international relations one that has revived the horrors and catastrophes of the past and paved the way for The Return of History regardless of the outcome of the conflict in Ukraine Now that a full year has passed since the beginning of the attack TPQ has devoted this issue to exploring the implications of the Russian invasion of Ukraine on many spheres ranging from energy security to agriculture At the same time we are raising the question of whether the current era deserves to be classified as the new Cold War If so who are the competing parties and in what ways is this new Cold War differs from the one that ended in 1991 with the United States and the liberal world emerging victorious To come up with sufficient and informative answers for these critical questions we assembled a large number of extremely valuable articles written by

eminent researchers policymakers journalists and young experts All around the world from the United States to Russia and from Türkiye to Sweden manuscripts came in from our contributors Hence it is with great pleasure that we provide you with this very qualified issue which investigates several facets of the emerging global order from an international perspective Professor Richard Sakwa investigates the causes of the resurgence of the Cold War and examines the differences between it with the original confrontation He thinks the Cold War mentality is once again ruling world relations These arguments suggest that the hope that the conclusion of the Cold War in 1989 would usher in a more universal and permanent peace has largely been disproved instead by 2014 the centennial of the beginning of World War I Europe was once again in the grips of bloody war The United States and the rest of the Political West as it had been reshaped by the Cold War remained on one side On the other hand he claims that a considerably diminished Russia has replaced the defunct Soviet Union and that this is happening alongside a China that is determined to regain its great power position Professor Li Bennich Björkman argues that Russia is using bombings attacks and cruelty to obliterate Ukraine's history As a result she sees the current conflict as a struggle to maintain the recollection of what a peaceful Ukraine looked like smelt like tasted like and felt like She contends that a split between Russia and Ukraine is inconceivable for Putin because of Ukraine's strategic importance to Russia Ukrainian President Leonid Kravchuk understood this as early as 1991 She says that he and other Ukrainian leaders sought to defend Ukrainian territory while assuring Moscow that amicable ties remained a possibility Russia she complains has never undergone a comparable transformation Professor Ziyang Ni who believes that we are in the midst of a Neo Cold War focuses more on the conflict between the West and the Rest He claims that the clash between democratic and authoritarian capitalism the defining conflict of the new era was exacerbated by Russia's invasion of Ukraine According to him the concerted effort of Western nations to end the conflict was evidence of the resurgence of the democratic club of Western governments and their allies G7 plus He also argues that a significant schism in opinion has developed between the West and the Rest as a direct result of the War He claims that the Russian War in Ukraine ushers in a new era in the post Western world one in which territorial conquests are accepted as the norm setting the path for more armed clashes in a globe already riven by war Professor Nicolai N Petro maintains that the healing of the Ukrainian people is often forgotten among the numerous conflicting narratives that drive the war in Ukraine He argues that this is because the West is ignoring the Other Ukraine whose dissatisfaction with the actions of the Ukrainian government since 2014 has stoked tensions According to him the West's reaction to Russia's incursion has focused on punishing Moscow but hasn't done anything to ease the tensions within Ukraine His work indicates that permanent societal harmony in Ukraine and peace in Europe can be achieved only via reconciliation inside Ukraine We encourage you to learn more about A Year Since the Return of History A New Cold War On behalf of Transatlantic Policy Quarterly I would like to express my gratitude to all the contributors who committed a significant amount of effort and work The TPQ team has had a great time putting together this special issue An important

acknowledgment goes to our premium corporate sponsor T pra In addition we would like to thank our online sponsor and the sponsor of this issue Monaco Economic Board We also like to thank our other sponsors Gordon Blair Halifax Kalekim TEB The Ritz Carlton and Uluslararası li kiler Dergisi for their ongoing support

Sold Out? US Foreign Policy, Iraq, the Kurds, and the Cold War Bryan R. Gibson, 2016-04-29 This book analyzes the ways in which US policy toward Iraq was dictated by America's broader Cold War strategy between 1958 and 1975 While most historians have focused on hot Cold War conflicts such as Cuba Vietnam and Afghanistan few have recognized Iraq's significance as a Cold War battleground This book argues that US decisions and actions were designed to deny the Soviet Union influence over Iraq and to create a strategic base in the oil rich Gulf region Using newly available primary sources and interviews this book reveals new details on America's decision making toward and actions against Iraq during the height of the Cold War and shows where Iraq fits into the broader historiography of the Cold War in the Middle East Further it raises important questions about widely held misconceptions of US Iraqi relations such as the CIA's alleged involvement in the 1963 Ba thist coup and the theory that the US sold out the Kurds in 1975

Technological Innovation, Globalization and the Cold War Wolfgang Mueller, Peter Svik, 2022-11-24 This volume focuses on the interconnections between the Cold War technological innovation and globalization Although the consequences of globalization have received ample attention in both academia and the public discourse only limited attention has so far been given to the factors that instigated various waves of this process This holds particularly true for the period following World War II during which a struggle between the two global blocs fanned not only technological innovations but also their transfer This volume is dedicated to examining the links between the Cold War and this phase in the history of globalization a phase that gradually made the world despite high levels of international tension more and more inter related More specifically it anchors a very contemporary phenomenon to its historical context and pinpoints how the varied and multi layered East West interactions helped to induce and foster the globalization processes Emphasizing technology and its cross bloc flows as well as several levels of actors including states private companies and individuals this volume reflects an important shift towards transnationalism which has occurred in the historiography in the recent years This book will be of interest to students of Cold War Studies science and technology studies and International Relations

From Kites to Cold War Tyler W Morton, 2019-10-15 From Kites to Cold War tells the story of the evolution of manned airborne reconnaissance Long a desire of military commanders the ability to see the terrain ahead and gain foreknowledge of enemy intent was realized when Chinese airmen mounted kites to surveil their surroundings Kite technology was slow to spread and by the late nineteenth century European nations had developed the balloon and airship to conduct this mission By 1918 it was obvious that the airplane had become the reconnaissance platform of the future Used successfully by many nations during the Great War aircraft technology and capability experienced its most rapid evolutionary period during World War II Entering the war with just basic airborne imagery capabilities by V E and V J days air power

pioneers greatly improved imagery collection and developed sophisticated airborne signals intelligence collection capabilities The United States and other nations put these capabilities to use as the Cold War immediately followed Flying near the periphery of and sometimes directly over the Soviet Union airborne reconnaissance provided the intelligence necessary to stay one step ahead of the Soviets throughout the Cold War

The Untold History of the United States Oliver Stone, Peter Kuznick, 2012-10-30 Indispensable There is much here to reflect upon President Mikhail Gorbachev As riveting eye opening and thought provoking as any history book you will ever read Can't recommend it highly enough Glenn Greenwald The Guardian Finally a book with the guts to challenge the accepted narrative of recent American history Bill Maher The New York Times bestselling companion to the Showtime documentary series now streaming on Netflix updated to cover the past five years A PEOPLE'S HISTORY OF THE AMERICAN EMPIRE In this riveting companion to their astonishing documentary series including a new chapter and new photos covering Obama's second term Trump's first year and a half climate change nuclear winter Korea Russia Iran China Lybia ISIS Syria and more Academy Award winning director Oliver Stone and renowned historian Peter Kuznick challenge prevailing orthodoxies to reveal the dark truth about the rise and fall of American imperialism

Culture, Power And History Stephen J. Pfohl, 2006 This volume brings together theoretical meditations and empirical studies of the intersection of culture power and history in social life Contributors bring a diversity of critical sociological perspectives and subject matters to this important edited book

History for the IB Diploma: The Cold War and the Americas 1945-1981 John Stanley, 2012-09-27 An exciting series that covers selected topics from the Higher Level options in the IB History syllabus This coursebook covers Higher Level option 3 Topic 10 The Cold War and the Americas 1945-81 The text is divided into clear sections following the IB syllabus structure and content specifications It offers a sound historical account along with detailed explanations and analysis and an emphasis on historical debate to prepare students for the in depth extended essay required in the Paper 3 examination It also provides plenty of exam practice including student answers with examiner's comments simplified mark schemes and practical advice on approaching the Paper 3 examination

Hidden History of the Korean War I.F. Stone, 2023-05 At the height of the McCarthy era and the inception of the Cold War the great journalist I.F. Stone released The Hidden History of the Korean War a courageous work of investigative journalism that demolished the official story about America's so called forgotten war As the war spiraled to its conclusion Stone closely analyzed openly available U.S intelligence narratives on the war's official start and the actions of key players like John Foster Dulles General Douglas MacArthur and Chiang Kai shek The result of his investigations was a controversial book that raised questions about the origin of the war showed that the U.S government had manipulated the United Nations and gave evidence that the U.S military and South Korean oligarchy dragged out the war by sabotaging peace talks Stone made a strong case that there were those in the U.S government and military who saw instability in the region as in the U.S national interest

Enjoying the Melody of Expression: An Mental Symphony within **Timeline Activity 26 Cold War**

In a global eaten by monitors and the ceaseless chatter of instant conversation, the melodic elegance and emotional symphony produced by the written word often disappear into the back ground, eclipsed by the relentless sound and interruptions that permeate our lives. But, set within the pages of **Timeline Activity 26 Cold War** a stunning literary treasure filled with fresh emotions, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, this captivating masterpiece conducts visitors on a psychological trip, skillfully unraveling the hidden tunes and profound influence resonating within each cautiously crafted phrase. Within the depths with this poignant assessment, we will investigate the book is main harmonies, analyze its enthralling writing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Timeline Activity 26 Cold War Introduction

In today's digital age, the availability of Timeline Activity 26 Cold War books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Timeline Activity 26 Cold War books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Timeline Activity 26 Cold War books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Timeline Activity 26 Cold War versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Timeline Activity 26 Cold War books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Timeline Activity 26 Cold War books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Timeline Activity 26 Cold War books and manuals is Open Library. Open Library is an initiative of the

Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Timeline Activity 26 Cold War books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Timeline Activity 26 Cold War books and manuals for download and embark on your journey of knowledge?

FAQs About Timeline Activity 26 Cold War Books

1. Where can I buy Timeline Activity 26 Cold War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Timeline Activity 26 Cold War book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Timeline Activity 26 Cold War books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Timeline Activity 26 Cold War audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Timeline Activity 26 Cold War books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
