

WRITING WINNING SCHOLARSHIP ESSAYS

10 TIPS

READ THE QUESTION

Be sure your essay answers the scholarship question(s).

WOW THEM WITH THE INTRODUCTION

Create mystery and intrigue in your introduction. Use it to grab their interest from the beginning.

USE TRANSITIONS

You must use transitions to preserve the logical flow of your essay.

REVISE, REVISE, REVISE

Writing a good essay takes effort. Go over your essay to improve style, transition, voice, grammar, and tone.

KNOW YOUR AUDIENCE

Do your research on the organization offering the scholarship. What is its mission? What is the purpose of the scholarship? Your essay should highlight how you represent the values and mission of the scholarship. Context matters. The institution wants to hear about your potential and the great things you will accomplish with its scholarship support.

BRAG A LITTLE

Scholarships are awarded based on merit, so it is important that you highlight your accomplishments. While it is important to show your quality, never lie or embellish.

EVERY WORD COUNTS

Be clear and concise. Avoid general statements; show, do not tell. Give them a "slice of life." Use stories, examples, and anecdotes to individualize your essay and demonstrate the point you want to make.

EXPLAIN WHAT MAKES YOU STAND OUT

What makes you different or special compared to other applicants? To get some ideas, talk to your friends, family members, teachers, and neighbors. They all see you from different perspectives, and their feedback can be quite helpful in realizing what makes you unique.

ADHERE TO WORD LIMITS

Always type your essay. Once you have a good master essay, you can recycle it for other scholarship applications.

HAVE SOMEONE PROOFREAD YOUR ESSAY

Make sure your essay is well written. Check spelling and grammar. Another pair of eyes can catch errors you might miss.

folder and did not think twice about it When I got home from school that evening my mother as she always does asked me if I had homework I told her that I did not have any homework Between you and I I did have homework but I did not want to do it at that time Ok I was untruthful to her but I did share with her that I had received a scholarship application and that I was not interested because I already had too much on my plate She asked to see the document and I gave it to her and went to my room and laid across my bed thinking that I was getting ready to do what I do best take a nap Needless to say she burst into my room and shouted Oh no ma am Get up You gone apply for this scholarship I aint got no money to be paying for college and you definitely don t want to be getting all those loans or having to swing from pole to pole to pay for it To sum up the situation I ended up applying for the scholarship It took me a couple of weeks to get it all together and I must say that the toughest part was writing the essay However once I was finished it was like a weight lifted off my shoulders About a month later I received an email and a letter in the mail reading that I had won the scholarship The best part of this scholarship and several others that I received was that I was given a check with my name on it The check was not sent to the university in which I was planning to attend it was written and given directly to me about a month after I applied for the scholarship I used the scholarship money to purchase the new Air Jordan sneakers that I had been longing for JUST KIDDING I deposited it into my savings account and when I graduated high school I used it to purchase items for college My winning that very first scholarship was the motivational boost that I needed to move forward to apply for many more scholarships After that first triumph I knew that I could do it I started worrying the heck out of my school counselor Every week after that either my mother or I was emailing or asking if she had received any other scholarships in which I could apply Scholarships are the best way for teens especially high schoolers to earn money for their future My advice to you is to apply for as many scholarships in which you qualify to apply for Please do not sell yourself short You can do this You do not have to be an advanced writer that is why you ask at least two people preferably a teacher and another adult or friend who are proficient writers to proofread and assist you along the way like I did IF YOU LIKE MONEY LET ME HELP YOU GET THAT MONEY
