Two English-Language Translators of Jin Ping Mei Shuangjin Xiao, 2024-07-31 Two English Language Translators of Jin Ping Mei examines English translations of the Ming novel Jin Ping Mei by translators from different historical periods within the Anglophone world Drawing upon theoretical insights from translation studies literary criticism and cultural studies the book explores the treatment of salient features of the novel in translation including cultural representation narratological elements gender specific motifs and homo sexual themes Through literary re imagining and artistic re creation Egerton transforms a complex and sprawling narrative into a popular modern middlebrow novel making it readily accessible within Western genres Roy's interlinear and annotated translation transcends the mere retelling of a vivid story for its unwavering emphasis on every single detail of the original becoming a portal to the Ming past It stands as a testament to the significance of translation as a medium for understanding the legacy of the late Ming and the socio cultural dynamics shaping that period in Chinese history This book will be a useful reference for scholars and research students within the fields of literary translation studies and translated Chinese literature particularly Ming Qing fiction The book will also appeal to students and researchers studying Jin Ping Mei's translation and reception in the West [The Body and Consent in Psychology, Psychiatry, and Medicine](#) Jemma Tosh, 2019-11-27 This groundbreaking text interrogates the constructed boundary between therapy and violence by examining therapeutic practice and discourse through the lens of a psychologist and a survivor of sexual abuse It asks what happens when those we approach for help cause further harm Can we identify coercive practices and stop sexual abuse in psychology psychiatry and medicine Tosh explores these questions and more to illustrate that many of the therapies considered fundamental to clinical practice are deeply problematic when issues of consent and sexual abuse are considered The book examines a range of situations where medical power and authority produces a context where the refusals and non consent of oppressed groups are denied dismissed or ignored arguing that key concepts and discourses have resulted in the production and standardisation of a therapeutic rape culture in the helping professions Tosh uses critical intersectionality theory and discourse analysis to expertly highlight the complex interrelationships between race class gender sexuality and disability in our understanding of abuse and how we define survivors Drawing on a wide range of comprehensive examples including experiences and perspectives from cisgender and transgender men and women as well as nonbinary and intersex people this is essential reading for students and researchers of critical and queer psychology gender studies as well as mental health practitioners and social workers [Racechanges](#) Susan Gubar, 2000 When the actor Ted Danson appeared in blackface at a 1993 Friars Club roast he ignited a firestorm of protest that landed him on the front pages of the newspapers rebuked by everyone from talk show host Montel Williams to New York City's then mayor David Dinkins Danson's use of blackface was shocking but was the furious pitch of the response a triumphant indication of how far society has progressed since the days when blackface performers were the toast of vaudeville or was it also an uncomfortable

reminder of how deep the chasm still is separating black and white America In *Racechanges White Skin Black Face* in American Culture Susan Gubar who fundamentally changed the way we think about women s literature as co author of the acclaimed *The Madwoman in the Attic* turns her attention to the incendiary issue of race Through a far reaching exploration of the long overlooked legacy of minstrelsy cross racial impersonations or racechanges throughout modern American film fiction poetry painting photography and journalism she documents the indebtedness of mainstream artists to African American culture and explores the deeply conflicted psychology of white guilt The fascinating racechanges Gubar discusses include whites posing as blacks and blacks passing for white blackface on white actors in *The Jazz Singer* *Birth of a Nation* and other movies as well as on the faces of black stage entertainers African American deployment of racechange imagery during the Harlem Renaissance including the poetry of Anne Spencer the black and white prints of Richard Bruce Nugent and the early work of Zora Neale Hurston white poets and novelists from Vachel Lindsay and Gertrude Stein to John Berryman and William Faulkner writing as if they were black white artists and writers fascinated by hypersexualized stereotypes of black men and nightmares and visions of the racechanged baby Gubar shows that unlike African Americans who often are forced to adopt white masks to gain their rights white people have chosen racial masquerades which range from mockery and mimicry to an evolving emphasis on inter racial mutuality and mutability Drawing on a stunning array of illustrations including paintings film stills computer graphics and even magazine morphings *Racechanges* sheds new light on the persistent pervasiveness of racism and exciting aesthetic possibilities for lessening the distance between blacks and whites

Criminalizing Sex Stuart P. Green,2020-04-15 Starting

in the latter part of the 20th century the law of sexual offenses especially in the West began to reflect a striking divergence. On the one hand the law became significantly more punitive in its approach to sexual conduct that is nonconsensual as evidenced by a major expansion in the definition of rape and sexual assault and the creation of new offenses like sex trafficking, child grooming and revenge porn. On the other hand it became markedly more permissive in how it dealt with conduct that is consensual, a trend that can be seen for example in the legalization or decriminalization of sodomy, adultery and adult pornography. This book explores the conceptual and normative implications of this divergence. At the heart of the book is a consideration of a deeply contested question: How should a liberal system of criminal law adequately protect individuals in their right not to be subjected to sexual contact against their will while also safeguarding their right to engage in private consensual sexual conduct in which they do wish to participate. The book develops a framework for harmonizing these goals in the context of a wide range of nonconsensual, consensual and aconsensual sexual offenses, hence the unified nature of the theory including rape and sexual assault in a variety of forms, sexual harassment, voyeurism, indecent exposure, incest, sadomasochistic assault, prostitution, bestiality and necrophilia. Intellectually rigorous, fair minded and deeply humane. Criminalizing Sex offers a fascinating discussion of a wide range of moral and legal puzzles arising out of real world cases of alleged sexual misconduct, a discussion that is all the more urgent in the age of MeToo.
