

Map Skills

This shaded relief map is a map of the United States showing population density. The map shows that 75.5 million Americans live in areas where population density is highest. These areas are in the Northeast and around the Great Lakes. The map also shows that there are many areas where population density is low. In these areas, there are few people living there.

1. Looking at the map, what are the highest population densities in the United States?
2. Looking at the map, what are the lowest population densities in the United States?
3. Looking at the map, what are the highest population densities in the United States?
4. Looking at the map, what are the lowest population densities in the United States?
