From the Torment of Dreams Iain McKinnon, 2015-11-03 Lan Agstaff joined the army to escape from the memory of a failed love affair But on the way to his first posting in Neotra the suspended animation chamber malfunctions and instead of peaceful nothingness he dreams endlessly about his lost lover By the time Lan s ship gets to Neotra tensions have reached breaking point making all out war virtually inevitable Will Lan be consumed by the flashbacks of his ex lover or can he recover from the torment of dreams *Retributor (Hellgate, Montana Book 2)* Al Halsey, 2015-10-27 Retributor Jeremiah Brandt has already riled up the zombie cavalry and he s still angry over losing a huge bounty on a clan of serial killers So when the Helena Cattlemen s Association asks for help with a werewolf he jumps at the chance to take it on There are a few little kinks to work through first before he can get down to the hunt starting with zombies a revengeful sister and cold bath water But the hunter soon becomes the hunted as Brandt discovers that his past mistakes have come back haunt him

Encyclopedia of Weird Westerns Paul Green, 2016-03-09 From automatons to zombies many elements of fantasy and science fiction have been cross pollinated with the Western movie genre In its second edition this encyclopedia of the Weird Western includes many new entries covering film television animation novels pulp fiction short stories comic books graphic novels and video and role playing games Categories include Weird Weird Menace Science Fiction Space Steampunk and Romance Westerns [The Cambridge World History of Slavery: Volume 1, The Ancient Mediterranean World](#) Keith Bradley, Paul Cartledge, 2011-03-07 Volume 1 in the new Cambridge World History of Slavery surveys the history of slavery in the ancient Mediterranean world Although chapters are devoted to the ancient Near East and the Jews its principal concern is with the societies of ancient Greece and Rome These are often considered as the first examples in world history of genuine slave societies because of the widespread prevalence of chattel slavery which is argued to have been a cultural manifestation of the ubiquitous violence in societies typified by incessant warfare There was never any sustained opposition to slavery and the new religion of Christianity probably reinforced rather than challenged its existence In twenty two chapters leading scholars explore the centrality of slavery in ancient Mediterranean life using a wide range of textual and material evidence Non specialist readers in particular will find the volume an accessible account of the early history of this crucial phenomenon

[Wound of the Nation: A Comprehensive History of Hindu-Muslim Relations in India](#) Sarwat Parvez, 2025-05-29 Wounds of the Nation A Comprehensive History of Hindu Muslim Relations in India The history of India is a tapestry woven with the threads of countless civilizations religions and cultures Among these the relationship between Hindus and Muslims has been one of the most profound at times defined by cooperation at times scarred by conflict Yet too often this relationship has been misunderstood misrepresented and politically manipulated This book emerges from a deep desire to present a balanced honest and comprehensive account of the history of Hindu Muslim relations in India Rather than focusing only on conflict or only on harmony Wounds of the Nation seeks to explore the full complexity of this relationship The arrival of Islam in India

and the establishment of Muslim rule The remarkable periods of cultural synthesis administrative cooperation and economic prosperity The localized instances of tension and riot And finally how colonial policies and modern politics have reshaped narratives often deepening divides that once could have been healed It is important to understand that Muslim rulers did not merely conquer many built reformed and integrated Similarly Hindus were not merely subjects they were often partners in governance military leadership and cultural flowering There were Hindu commanders in Muslim armies and Muslim generals in Hindu kingdoms living proofs of a nuanced history that deserves more attention than the simplified versions often told This work is not written to glorify or to condemn any community but to search for the truth supported by historical records economic data cultural achievements and when necessary an acknowledgment of human fallibility As we journey from the early days of Islam s arrival through the magnificence of the Delhi Sultanate and Mughal Empire across the dark manipulations of the colonial era and into the challenging decades after independence This book aims to offer readers a chance to see the whole picture the pain the promise and the possibilities that still lie before us May truth be our guide and understanding be our destination May this work be a small step toward healing the nation s wounds Sarwat Parvez

Science Fiction, Fantasy & Horror ,1990 A comprehensive bibliography of books and short fiction published in the English language *Women's Studies Index*, 1998 G. K. Hall and Co. Staff,GK Hall,1999 *Stories That Time Forgot Short Stories Series* Sarwat Parvez,2025-06-07 In the quiet spaces of the world beneath silver lakes beyond scorched deserts through haunted fogs and deep beneath the sea there lie mysteries long forgotten by time Echoes of the Hidden Realms is a tapestry of tales woven from the threads of myth memory and magic Each story takes the reader into a different realm some whisper through the mists of coastal towns others sing from buried civilizations and sun scorched sands Yet all are united by a common longing for truth power redemption or simply a glimpse beyond the veil of the known We begin with the chilling enigma of Shadows in the Fog where reality frays in a sleepy town blanketed in perpetual mist The journey then sails to The Forgotten Archipelago an uncharted island chain that holds secrets thought to be lost to the sea In the shifting dunes of the desert the legacy of the Oracle s Lens unfolds over several interlinked tales from the cursed ambition of Darun al Safir to the tragic search for belonging in Layla Ardeth s tale to the pure faith of Amin Salah and the scholarly pursuits of Tariq al Maktoum These seekers traverse time each touching the Lens for their reasons power healing lineage or truth In The Sands of Eternity and The Healer of Despair the desert itself becomes a character both protector and punisher hiding ancient knowledge and ancient wrath The Poet of Silence adds a haunting lyrical beauty to this saga of seekers where prophecy and poetry collide The book then takes us to Whisper Lake a shimmering body of water at the edge of legend where reality slips and the past clings to the present In The Origin of Whisper Lake the mystic Lilith Carrow leaves a trail of forgotten knowledge and terrible beauty beneath its surface And finally we step into The City That Never Woke and the eerie futuristic epic The Deep Dominion where modern day pollution and lost time bring forth terrifying revelations suggesting that

sometimes the most haunting mysteries are the ones we've created ourselves Echoes of the Hidden Realms is a journey for the curious soul for those who believe that truth often hides behind veils that legends are fragments of forgotten reality and that even in silence there is always a story waiting to be heard **The Dark Man | (The Graveyard: Classified Horror Books #1) | (First in Series Free Books)** Desmond Doane, 2017-11-09 Ford Atticus Ford former host of the hit ghost hunting reality show Graveyard Classified has more than a few regrets especially after young Chelsea Hopper was attacked by a demon on live television Assisting police departments by conducting paranormal investigations and uncovering buried clues now provides Ford with an ounce of redemption but it will never be enough What occurred on that long ago Halloween night was unforgivable and Ford chasing ratings and stardom let it happen With Graveyard cancelled and his reputation destroyed Ford sets out to avenge little Chelsea and to save his own soul if he can Popular themes and keywords books about ghosts ghost stories paranormal thrillers horror books best horror books horror novels scary stories scary books horror authors scariest books creepy books paranormal investigators ghost hunters paranormal research paranormal detectives ghost hunting ghost detectors 2022 haunted houses paranormal activity hauntings ghost adventures free freebie free ebooks free books scary books for adults books for free *The History of the Mohammedan Dynasties in Spain* Aḥmad ibn Muḥammad Maqqarī, 1840 *The History of the Mohammedan Dynasties in Spain* Aḥmad Ibn- Muḥammad al-Maqqari, 1840 *Lenses on Blindness* Sharon Packer, M.D., 2023-02-24 Blindness or vision loss is a major medical concern that has also drawn the attention of artists writers musicians mythologists filmmakers religions philosophers and others Covering everything from pop culture to high culture this text is an illuminating anthology of essays examining various representations of blindness Comprehensive in scope this collection of essays analyzes depictions and explorations of blindness in many pieces of media Essays explore blindness in horror films science fiction literature high art superhero fiction Jewish and indigenous traditions music and more This book aims to show how a world of darkness can hold so much light *History of the Mohammedan Dynasties in Spain* Abū al-'Abbās Aḥmad b.
