Locking

The two keyrings that come as standard ensure that the vehicle is not opened or locked. If the vehicle is unlocked using button (1) outside of the range of the remote control system, the vehicle is automatically locked again and the safe opening system or anti-theft alarm system is reactivated. This function is intended to prevent the vehicle from being unlocked unintentionally (1).

In addition, when the car is unlocked, the door is automatically locked and either of the two doors the driver is seated in this key. The default setting of these two and systems remains unchanged.

Locking

The two (red light) LEDs used to confirm that the vehicle has been correctly locked.

If the doors or trunks of the vehicle open after the vehicle has been locked, the red signal light is not flash, indicating that the door is closed.

WARNING

If the car is locked from the outside and the infotainment system is activated, there will not be any sound in the car as the sound function is open on the subject of external hearing device. The car's door is not to be opened but for emergency get into the vehicle in an emergency situation.

NOTE

A key operates the remote control when the doors and trunks are closed and the vehicle is parked.

If the car is being automatically opened the car, the red button of the remote control will not be pressed before the car is automatically opened. Should this happen, press the vehicle button of the remote control.

Signal malfunction

If the vehicle cannot be unlocked by pressing the remote control system then it is recommended that the code in the key and the remote control in the car is reset to get synchronized. This can occur when the button on the radio opened key and changes a number of times outside of the operating range of the equipment or the battery on the remote control was replaced.

The correct key operation is significant in the Lock as follows:

- Press the button the remote control key.
- Pressing of the button means that the door will unlock with the key within 10 seconds.
