

The background of the entire cover is a photograph of a sunset or sunrise over a body of water. The sky is filled with warm, orange and yellow clouds. In the foreground, a wooden pier or dock extends from the left side towards the center of the image. The water is calm, reflecting the colors of the sky.

Slip 22 S. K. Wilkins, 2014-10-20 Throughout his life Steve Logan has had the spirit of adventure pulsing throughout his soul From his early days surfing up and down the east coast of Florida all the way to Hawaii during his tours of duty in Vietnam setting up a not so legitimate business throughout the Caribbean then later retiring from that life and going legit he made friends and associates that would benefit him throughout his life and he would benefit theirs He s good natured mischievous intelligent savvy and cunning a shrewd businessman an expert with firearms master in the martial arts but what sets him apart from most is what he was taught by his parents from an early age Compassion loyalty to those he calls his friends fairness honesty and if he can help those that are deserving Those aware of his reputation know not to cross him or those closest to him Those that make the mistake and do end up wishing they hadn t Up to this point Steve had lived an exciting but solitary life with a few relationships thrown in from time to time Of course there had been women but nothing to the point of even considering making anything long term The problem was he never could find a woman he could consider as an equal partner someone that would be a challenge to him both intellectually and mentally had the same zest for life and adventure but mostly accept the motley crew he called friends and his colorful and sometimes tempestuous life No way could he have predicted how one hurricane would impact his future
