

MARK SCHEME for the June 2005 question paper

9702 PHYSICS

9702/02

Paper 2 (Practical Tests), maximum raw mark 20

This mark scheme is published as an aid to teachers and students, to indicate the requirements of the examination. It also shows the basis on which examiners were initially instructed to award marks. It does not include the details of the discussions that took place at an Examiners' meeting before marking began, nor subsequent changes to the mark scheme that arose from these discussions will be recorded in the published Report on the Examination.

All Examiners are instructed that alternative correct answers and unexpected approaches in candidates' scripts must be given marks that fairly reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question papers and the Report on the Examination.

— CIE will not enter into discussion or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the June 2005 question papers for most IGCSE and GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.
