SERVICE MANUAL

IMPORTANT NOTICE

This manual has been provided for the use of authorized YAMAHA Dealers and their service personnel. It has been assumed that basic service procedures inherent in the industry, and more specifically YAMAHA Products, are already known and understood by the users, and have therefore not been repeated.

WARNING: Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components, and failure of the product to perform as specified. For these reasons, we advise all YAMAHA product owners that any service required should be performed by an authorized YAMAHA Dealer or the applicable service representative.

IMPORTANT: The presentation or sale of this manual to any individual or firm does not constitute an authorization, certification, or recognition of any applicable technical capabilities, or establish a privileged relationship of any kind.

The data provided is believed to be accurate and applicable to the models indicated on the cover. The research, engineering, and service departments of YAMAHA are continuously striving to improve YAMAHA products. Modifications are, therefore, inevitable and specifications are subject to change without notice or obligation to notify. Should any discrepancy appear in use, please contact the distributor's Service Division.

WARNING: Audio circuits use directly explosive components. Freshness any audio electrically your body may have disconnected by power/heat generated to the ground pins in the unit (heavy gauge black wires connect to this bus).

IMPORTANT: Turn off the unit during disassembly and part replacement. Check off work before you apply power to the unit.
