THE CHINESE-AMERICAN METHOD Linda Hu; John X. Wang, 2013-01-24 Raising a child is challenging for many parents especially for a new immigrant family For those parents they not only have to face the challenges of integrating themselves into a new environment but they also need to handle the conflicts coming from two cultural backgrounds Like many Chinese Americans the authors inherited the traditional Chinese culture Yet they also opened their minds and embraced their new culture Through the collisions of these two cultures they developed a unique parenting strategy a combination of the best of both worlds to educate their children This approach offered them a cutting edge in developing their children to be among the most competitive As they raised their children they held parties to build their children's social groups used teamwork to create a harmonious family strengthening the family bonds helped their children excel in academic competitions taught their children how to be rigorous and strive for perfection inspired their children to explore innovative strategies to overcome obstacles developed their children's creativity leadership and initiative encouraged their children to be involved in the community and gave their children freedom to develop their individual personalities and discover their full potentials The authors believe that their story will be beneficial to other parents and also provide a new perspective of Chinese American families for mainstream Americans

Where You Go Is Not Who You'll Be Frank Bruni, 2015-03-17 Read award winning journalist Frank Bruni's New York Times bestseller an inspiring manifesto about everything wrong with today's frenzied college admissions process and how to make the most of your college years

Over the last few decades Americans have turned college admissions into a terrifying and occasionally devastating process preceded by test prep tutors all sorts of stratagems all kinds of rankings and a conviction among too many young people that their futures will be determined and their worth established by which schools say yes and which say no In *Where You Go is Not Who You'll Be* Frank Bruni explains why this mindset is wrong giving students and their parents a new perspective on this brutal deeply flawed competition and a path out of the anxiety that it provokes Bruni a bestselling author and a columnist for the New York Times shows that the Ivy League has no monopoly on corner offices governors mansions or the most prestigious academic and scientific grants Through statistics surveys and the stories of hugely successful people he demonstrates that many kinds of colleges serve as ideal springboards And he illuminates how to make the most of them What matters in the end are students efforts in and out of the classroom not the name on their diploma Where you go isn't who you'll be Americans need to hear that and this indispensable manifesto says it with eloquence and respect for the real promise of higher education
