

Stephen Langdon

A black and white photograph of a large, ancient stone tablet, likely a Mesopotamian artifact. The tablet is covered in a relief carving. In the foreground, a large, dark, stylized bull (possibly a bull-god) is depicted, facing left. Behind it, a human figure is visible, standing and facing right. The background of the relief shows a landscape with a body of water and a distant city or temple. The overall texture of the stone is rough and weathered.
