Academic Constraints in Rhetorical Criticism of the New Testament J. David Hester Amador,1999-01-01 Rhetorical criticism promised to bring New Testament studies into a new era that approached the Bible as a document of persuasive discourse Major proponents of this approach suggested that its potential lies in its democratization of biblical interpretation To date that promise has never been fulfilled The reasons can be found by exploring the rhetoric of these rhetorical critics Such an exploration uncovers systems of disciplinary constraints and discursive habits that keep rhetoric firmly within traditional units of academic biblical interpretation The promise of rhetoric can only be fulfilled by shattering all notions of a rhetorical programme of biblical interpretation

No Not another book on leadership That was my first reaction as I received the manuscript of this book Upon careful reading I came to realize that Dr Enlow has artistically captured the essence of leading by influence and has presented it in a clear and colorful way As a veteran leader Dr Enlow speaks from vast experience but it is not merely subjective anecdotal

experience The book is firmly rooted in serious and current research As I meet leaders from all over the globe I am no longer hesitant what to recommend them to read Riad Kassis director of Langham Scholars Ministry international director of the International Council for Evangelical Theological Education This book under promises and over delivers with a powerful palette of leadership wisdom But drop everything right now and read the warning in the last chapter on doxological leadership I am recommending this book to all my clients and I will likely reread this gem once a year Its that important John Pearson consultant www.johnpearsonassociates.com and author of Mastering the Management Buckets Daily Reflections for Ordinary Time John Paul Thomas, **The Art of Following** Dr. Gene Herndon, 2013-07-23 Art is defined as a skill acquired by experience study or observation In this hard hitting book Pastor Gene Herndon reveals robust and actionable answers to many of the pressing questions concerning ministry Although punctuated with tongue and cheek humor this book is not for the faint of heart It is a blunt and raw look into what it takes to pay the price to have successful ministries Whether you are supporting in the helps ministry or moving into the five fold leadership this book is a classic must have to help prepare yourself and those who support and help you for lasting ministry Too many firecracker ministries have come and gone and longevity is the key Warning this book is for the mature and will give you insights to what most seasoned ministers know but rarely will tell The New Testament in Its World N.
