Creative Teaching Methods Marlene LeFever, 2013-01-08 Do you ever wonder why Jeffrey talks all of the time Or why Toni can't sit still Or why Alex loves work sheets Or why Jordan is always trying something new Each chapter is fun to read stimulating and immensely practical This book is valuable to teachers and for preachers too DAVID R MAINS DIRECTOR CHAPEL OF THE AIR It's about time *Creative Teaching Methods* is not just another book on the theory of creativity which we

don't need. Rather it is a book on the practice of creativity in the classroom which we desperately need. This is a book you will use over and over again. *Creative Teaching Methods* is loaded with practical and usable ideas that will make creative teaching a reality in your classroom. Without hesitation I would recommend this book to anyone who teaches young people or adults. MIKE YACONELLI, PRESIDENT, YOUTH SPECIALTIES. Marlene LeFever makes the principle of learning through creative participation come alive for Christian education. Creative methods are vividly and invitingly explored for their potential for deepening the spiritual life through new ways of hearing the Word of God and using heretofore untapped personal resources in responding to it. Unique in its assumption that in Christian education creativity is just as essential in work with youth and adults as it is in work with children. D. CAMPBELL WYCKOFF, PROFESSOR OF CHRISTIAN EDUCATION, EMERITUS, PRINCETON THEOLOGICAL SEMINARY. Marlene D. LeFever is Manager of Ministry Relations for David C. Cook Church Ministries, holds a master of Christian education and is a frequent speaker at Sunday School conventions, writers conferences and professional organizations. Editor of *Teacher Touch*, a quarterly letter of affirmation for Sunday School teachers. Marlene has authored over ten books including *Creative Teaching Methods*, *Cook Creative Hospitality*, *Tyndale and Is Your To Do List About To Do You In*, NavPress. *Making Your Children's Ministry the Best Hour of Every Kid's Week* David Staal, 2009-05-26. Promiseland is Willow Creek's highly successful children's ministry. Using examples from Promiseland and churches of all sizes around the country, this book provides step by step guidance and creative application exercises to help churches develop a thriving children's ministry, one that strives to be the best hour of every kid's week. Included are Scripture based principles and practical resources for church staff members and volunteers who agree with the critical role children's ministry plays in a local church. *Making Your Children's Ministry the Best Hour of Every Kid's Week* based on twenty eight years of experience at Willow Creek explains four ministry foundations: Mission, Vision, Values and Strategy. Content includes Detailed answers to questions facing every children's ministry: What does Jesus expect from children's ministry? How can we evangelize lost kids and disciple saved kids at the same time and should we? How do we engage kids so they don't become bored? How do we get better at recruiting and leading volunteers? How can our ministry be a safe place for children? Six specific ministry values that address the needs of today's children. Practical first steps for ministries that want to get serious about change. Clear indicators of success in children's ministry. *Rock-Solid Kids* Larry Fowler, 2005-01-03. Children's ministry is being pushed and pulled by education models, statistical analysis, growth techniques, cultural change and technological advancements. But with the weight of all these influences, little attention is given to what ought to be the most important influence in molding the shape of children's ministry: the Word of God. Whether your children's ministry is in your home or in your church, the purpose of this book is to enable you to build a children's ministry that is rock solid, modeled on scriptural teachings. Each chapter of this book starts with a Scripture passage, a rock for your foundation. The Scripture passage specifically refers to children or ministering to them. Each chapter contains a thorough
