Sports In Society Issues And Controversies 2nd Canadian Edition

Ian Henry, Ling-Mei Ko

Sports In Society Issues And Controversies 2nd Canadian Edition:

Sports in society Jay J. Coakley, Peter Donnelly, 2009 Sports in Society Issues and Controversies Second Canadian Edition is the definitive text for the sociology of sport course The text's global issues oriented approach to the study of sports in Canadian society promotes discussion of current sports related controversies and helps students to develop critical thinking skills

Sport and Recreation in Canadian History Carly Adams, 2021 Sport and Recreation in Canadian History is a comprehensive textbook which provides an examination of events documents and pivotal moments that contributed to the development of sport in Canada Content ranges from indigenous recreation and the integration of British culture It moves to the emergence of organized sport and national sport organizations and their impact on how sport is viewed across the country Amateur and professional sport is covered in detail and finally the globalization of Canadian sport and its expansion and position on the international stage

Sport, Violence and Society Kevin Young, 2019-03-28 In this fully updated and revised new edition of his landmark study of violence in and around contemporary sport Kevin Young offers a comprehensive sociological analysis of an issue of central importance within sport studies The book explores organised and spontaneous violence both on the field and off and calls for a much broader definition of sports related violence to include issues as diverse as criminal behaviour by players abuse within sport and exploitative labour practices Offering a sophisticated theoretical framework for understanding violence in a sporting context and including new case studies and updated empirical data from professional soccer in Europe to ice hockey in North America the book establishes a benchmark for the study of violence within sport and wider society Through close examination of often contradictory trends from anti violence initiatives in professional sports leagues to the role of the media in encouraging hyper aggression the book throws new light on our understanding of the socially embedded character of sport and its fundamental ties to history culture politics social class gender and the law This new edition also recognises burgeoning new literatures such as research examining concussion and the link between sport and mental illness and includes student friendly pedagogical aids such as critical thinking questions at the end of each chapter Sport Violence and Society is a vital read for anyone studying or working in the areas of the Sociology of Sport Sport Psychology Ethics and Philosophy of Sport Sport and Politics Sports History and Sport and the Media

The ^AOxford Handbook of Sport and Society Lawrence A. Wenner, 2022-09-27 The Oxford Handbook of Sport and Society is the premier comprehensive and interdisciplinary work for readers looking to understand key areas of inquiry about the role and impacts of sport in contemporary culture Through fifty seven chapter treatments from leading international scholars on sport's impact on key aspects of our lives the Handbook is essential reading for any reader trying to understand the outsized ways in which sport has become more than a game

Power Played Derek Silva, Liam Kennedy, 2022-10-01 This innovative collection convincingly argues that modern sport can be characterized by unequal and problematic power relations that are inextricably linked to issues of violence harm deviance and punishment On the one hand

sport is a mainstay of community building an expression of solidarity and a means to mental and social health On the other there is the star player who commits sexual violence the trans athlete whose achievements are dismissed as fraudulent or the racist and abusive nationalism of the impassioned sports fan From drawing connections between head trauma and athletic violence to exploring the social meanings of sport in prison contributors to this volume reimagine sport as an important unit of analysis for critical criminologists Messages about crime violence and punishment in sport mirror broader relations of power that exist off the field Situated at the intersections of sport sporting culture and crime Power Played blows the whistle on the harm violence and exploitation embedded within

Routledge Handbook of Sport Policy Ian Henry, Ling-Mei Ko, 2013-07-24 It is difficult to fully understand the role that sport plays in contemporary global society without understanding how and why governments NGOs and other organizations formulate and implement policy relating to sport The Routledge Handbook of Sport Policy is the only book to offer a comprehensive overview of current perspectives techniques and approaches to the analysis of sport policy around the world The book introduces a diverse range of approaches to policy analysis across the full range of political and societal contexts including developed and developing economies state centric mixed economy and market led systems and both liberal democracies and political systems characterized by a dominant elite It is arranged into five sections addressing the key topics and themes in the analysis of contemporary sport policy including theory and its implications for methodology globalization governance partnerships and networks elite sport policy development sport and joint policy agendas sport policy and social theory With contributions from leading policy analysts around the world including Europe North America the Middle East and Asia this book is important reading for any student researcher or professional working in sport management sport development sport and society or mainstream public policy policy analysis or social policy

Sociocultural Issues in Sport and Physical Activity Robert Pitter, David L. Andrews, Joshua I. Newman, 2022-02-21 Sociocultural Issues in Sport and Physical Activity explores the intersections between modern physical activity and society The text surpasses the scope of sociological texts that focus solely on sports covering a broad range of physical activities such as fitness dance weightlifting and others The authors emphasize the promotion of healthy individuals and a healthy body in the many movement settings where the body is active Sociocultural Issues in Sport and Physical Activity explores contemporary topics such as reducing disparities in education and income increasing socioeconomic diversity in communities the medicalization of fitness the rise of cosmetic fitness the promotion of physical activity as a requirement for health and the globalization of the fitness industry The text includes the following features to enhance student engagement Chapter objectives help students achieve their learning goals Key points and terms to highlight important information throughout the text Active Bodies sidebars that offer context for concepts presented in the chapter and provide examples and applications Discussion questions that provide opportunities to reflect on chapter topics Part I of Sociocultural Issues in Sport and Physical Activity examines political educational media and economic

institutions that influence the relationship between society and physical activity Part II explores how an individual's race gender social class and ability are interpreted through a social lens Part III of the text discusses the process of developing healthy populations as well as promoting public health and body positivity Sociocultural Issues in Sport and Physical Activity offers a cross cultural perspective of society health and the body in motion Readers will finish the text with a greater understanding of social theory applications in physical culture

Sport and Physical Activity across the Lifespan Rylee A. Dionigi, Michael Gard, 2017-11-27 This edited collection problematizes trajectories of health promotion across the lifespan It provides a distinctive critical social science perspective of the various directions taken by dominant policies in their approach to promoting sport for all ages It offers an array of theoretical and methodologically diverse perspectives on this topic and highlights the intersections between different life stages and social economic and cultural factors in the developed world including class gender ability family dynamics and or race Sport and Physical Activity across the Lifespan critically explores dominant policies of age focussed sport promotion in order to highlight its implications within the context of particular life stages as they intersect with social cultural and economic factors This includes an examination of organised sport for pre schoolers at risk youth sport programmes and the creation of sporting sub cultures within the mid life market This book will be of interest to those wanting to learn more about how age and life stages affect the way people think about and participate in sport and to better understand the impacts of sport across the lifespan

Routledge Handbook of the Sociology of Sport Richard Giulianotti, 2015-07-24 The sociology of sport is a core discipline within the academic study of sport It helps us to understand what sport is and why it matters Sociological knowledge implicit or explicit therefore underpins scholarly enquiry into sport in every aspect The Routledge Handbook of the Sociology of Sport is a landmark publication that brings together the most important themes theories and issues within the sociology of sport tracing the contours of the discipline and surveying the state of the art Part One explores the main theories and analytical approaches that define contemporary sport sociology and introduces the most important methodological issues confronting researchers working in the social scientific study of sport Part Two examines the connections and divisions between sociology and cognate disciplines within sport studies including history anthropology economics leisure and tourism studies philosophy politics and psychology Part Three investigates how the most important social divisions within sport and in wider society are addressed in sport sociology including race gender class sexuality and disability Part Four explores a wide range of pressing contemporary issues associated with sport including sport and the body social problems associated with sport sport places and settings and the global aspects of sport Written by a team of leading international sport scholars including many of the most well known respected and innovative thinkers working in the discipline the Routledge Handbook of the Sociology of Sport is an essential reference for any student researcher or professional with an interest in sport

Sport and Modern Social Theorists Richard Giulianotti, 2004-08-03 Sport and Modern Social Theorists is an innovative and exciting new

collection The chapters are written by leading social analysts of sport from across the world and examine the contributions of major social theorists towards our critical understanding of modern sport Social theorists under critical examination include Marx Weber Durkheim Adorno Gramsci Habermas Merton C Wright Mills Goffman Giddens Elias Bourdieu and Foucault This book will appeal to students and scholars of sport studies cultural studies modern social theory and to social scientists generally

Strategic Sport Communication Paul Mark Pedersen, Pamela C. Laucella, Edward Kian, Andrea N. Geurin, 2021 This book explores the multifaceted segment of sport communication This text presents a standard framework that introduces readers to the many ways in which individuals media outlets and sport organizations work to create disseminate and manage messages to their constituents

Native Games Chris Hallinan, Barry Judd, 2013-07-19 Research on Indigenous participation in sport offers many opportunities to better understand the political issues of equality empowerment self determination and protection of culture and identity This volume compares and conceptualises the sociological significance of Indigenous sports in different international contexts

Child Abuse in Sport Mike Hartill, Bettina Rulofs, 2025-01-27 Elucidating deeper understanding of the problem of child abuse in sport and the various responses to it both academic and policy based this collection uses a critical sociological lens and various distinct theoretical lenses to provide the conceptual tools to problematise the practice and administration of youth sport

21st Century Sociology: A Reference Handbook Clifton D. Bryant, Dennis L. Peck, 2007 Publisher Description

Sport, Social Development and Peace Kevin Young, Chiaki Okada, 2014-06-18 This volume is part of the early systematic inquiry into the analysis of sport as a developmental device The book features an international roster of global experts The chapters represent three groups theory and philosophy empirical research in on the ground case studies and those using circumspection to construct cases regarding evaluation

Gender-Based Violence in Children's Sport Gretchen Kerr, 2022-10-28 This book addresses the major forms of Gender Based Violence GBV in children s sport including sexual physical and psychological violence and neglect It reviews the historical sociocultural and political influences on violence towards children and sets out future agendas for research and practice to eliminate GBV in sport The book argues that for GBV to occur and be sustained over time it must be facilitated by a system that enables this violence protects the perpetrator disables bystanders silences the victims and or fails to provide a structure by which to address victims or bystanders concerns Drawing on empirical research from across a range of disciplines including sport sociology sport psychology developmental psychology and coaching and examining real life case studies of GBV in sport at all levels the book makes a powerful case for radical change in our current systems of sport governance safeguarding and athlete welfare This is important reading for any student researcher policy maker coach welfare officer or counsellor with an interest in sport gender studies safeguarding criminology or sociology An electronic version of this book is freely available thanks to the support of libraries working with Knowledge Unlatched KU KU is a collaborative initiative designed to make high quality books Open Access for the public good The Open Access ISBN for

this book is 9781003035138 More information about the initiative and links to the Open Access version can be found at www.knowledgeunlatched.org Canadian Books in Print. Author and Title Index, 1975 *Routledge Companion to Sports History* S. W. Pope, John Nauright, 2009-12-17 The field of sports history is no longer a fledgling area of study There is a great vitality in the field and it has matured dramatically over the past decade Reflecting changes to traditional approaches sport historians need now to engage with contemporary debates about history to be encouraged to position themselves and their methodologies in relation to current epistemological issues and to promote the importance of reflecting on the literary or poetic dimensions of producing history These contemporary developments along with a wealth of international research from a range of theoretical perspectives provide the backdrop to the new Routledge Companion to Sports History This book provides a comprehensive guide to the international field of sports history as it has developed as an academic area of study Readers are guided through the development of the field across a range of thematic and geographical contexts and are introduced to the latest cutting edge approaches within the field Including contributions from many of the world's leading sports historians the Routledge Companion to Sports History is the most important single volume for researchers and students in and entering the sports history field It is an essential guide to contemporary research themes to new ways of doing sports history and to the theoretical and methodological foundations of this most fascinating of subjects *Routledge Handbook of Coaching Children in Sport* Martin Toms, Ruth Jeanes, 2022-12-23 The Routledge Handbook of Coaching Children in Sport provides a comprehensive and extensive range of critical reflections of key areas impacting on children's sport and coaching up to the age of 16 With coaching related chapters authored by academic across various disciplines including nutrition psychology pedagogy medicine youth development and sociology the text provides detailed reviews of the existing state of research and consideration of the implications of these particular factors upon parents coaches administrators and clearly the young people themselves as well as recommendations for future research This new volume provides in depth investigation to key topics of coaching topics such as Learning and Child Development Protecting Young Athletes Talent Identification and Development and Inclusive Coaching and finally introduce a broad array of contextual considerations for coaches from considering professional learning through to coaching in particular contexts This book is more than simply an academic text and it offers insights that will further inform practice in children's sport coaching The handbook is relevant for students UG PG researchers academics parents coaches and administrators as well as those interested in children's sport coaching and the related topics therein Martin Toms PhD is a senior lecturer associate professor in the School of Sport Exercise and Rehabilitation Sciences at the University of Birmingham UK A former professional sports coach with an MPhil and PhD exploring the sociological issues of young people in junior sport Martin has been heavily involved in juniors sport all of his adult life He has published widely and presented extensively around the world on youth sport including working on international projects and for NBGs Federations and National Governmental

organisations He has gained European and SCUK funding for youth and coaching related projects as well as being involved in international consultancy He is a co editor of the European Journal for Sport and Society as well as the current Editor in Chief of the International Journal of Golf Science Ruth Jeanes PhD is an associate professor in the Faculty of Education at Monash University Australia Ruth s research examines inclusion and exclusion within youth sport particularly examining how sport can be used to achieve broader social policy objectives targeted at young people Within this she is particularly interested in the role of coaches in facilitating broader social outcomes for young people Ruth has published extensively in these areas with over 100 publications across journal articles book chapters and books She is widely cited and has been successful in securing extensive funding for her research including two highly competitive Australian Research Council grants
