Wander In The Night A Poem For Children And Grownups:

Wander in the Night Adam Day, 2014-11-07 Bedtime and Im tucked in tightly teeth are clean and all my nightly Stories have been read to me Im ready for my goodnight hug I cuddle close with teddy bear while mother brushes through my hair And as shes leaving she declares Sleep now safe and snug Children love to hear bedtime stories invitations to where their imagination might lead them in their sleep But sometimes even kids can get tired of hearing the same old story over and over again Adults can get a bit worn out from reading the same story time and time again too *Wander in the Night* is not just a poem for children it is a poem for children and their grownups It tells the tale of a little girl trying to find a comfy place to sleep Her explorations will take you into every nook and cranny in her house and then out to the stars With poems that are as much fun to read as they are to hear beautiful illustrations and a sweet adventure to follow *Wander in the Night* just might become your new favorite bedtime story and it might even inspire you to write your own poems and stories too Its a fun new poetic way to end your day

Wander with Me Margaret Bergeron, 2010-02 Margaret s poems will make you think and sometimes cry but they always make you smile at the end All of the emotions that Margaret writes about are real thoughts and feelings about everyday happenings and things that perhaps you might miss as you Wander through your life All around you are things that need to be recognized They all have value and merit Every life has a journey and all of us need to find what road to follow Sometimes we take a detour to Wander by ourselves but we all eventually come back to where we want to be This book will keep you wanting to read more and will make you see yourselves in many verses The Saturday Review of Politics, Literature, Science and Art ,1880 The Nation ,1895 **The English Review** Ford Madox Ford, 1924
