Rosemary Waugh, David Waugh, 2022-05-30 Teachers can have a profound influence on children's reading behaviour and attitudes to literature. Whether it's to broaden children's knowledge and understanding or encourage reading for pleasure, reading in the classroom is becoming an increasing priority. This book looks at a wide range of children's literature from picture books to classics to poetry. A diverse array of books is recommended for teachers to use in a broad variety of contexts to enhance learning across the curriculum, featuring beloved authors such as Michael Morpurgo, Tove Jansson and Kenneth Grahame, as well as introducing some who may be new to teachers. This book recognises the key role of children's literature within the curriculum and learning development. Explores examples through case studies of classroom practice and highlights children's literature's role in Personal, Social, Health and Economic (PSHE) education. Celebrates the range of voices and contexts that literature can represent in the classroom. Includes a 'For your bookshelf' section in each chapter which summarises key titles. Dedicates a chapter to the importance of creating children's literature with and for children. The authors place emphasis on creating a literate environment in which children's literature is a central feature. This is a must-read for teachers at all levels as well as anyone who volunteers in schools to support readers. Read on to enrich your practice right across the curriculum and find diverse books to engage and inspire children. Enjoy! Professor Teresa Cremin, The Open University, UK. How do we make sure children today recognise the value of reading for pleasure when so many other mediums are competing for their attention? The answer lies within this excellent text. Megan Stephenson, PGCE Primary, ITT Lead, Leeds Trinity University, UK. It is an essential book for the primary school needed now more than ever before. Adam Bushnell, Author of *Modelling Exciting Writing* and *Descriptosaurus Story Writing*. Rosemary Waugh is a retired teacher who has written extensively on children's literature, spelling, punctuation and grammar. She is an avid collector of children's literature. She works with David to lead workshops for reading volunteers in schools for the Open University, UK, and the charity Coram Beanstalk. David Waugh is a former deputy headteacher, education adviser and head of department who is currently a professor at Durham University School of Education, UK. He has written more than sixty books on primary English as well as six children's novels, two of which were written with groups of children.

Lisa's Ream John David Petty, 2024-03-01 Lisa, an intelligent and attractive high school senior, is on a quest to understand happiness. Guided by her middle-class values, Christian faith and a keen interest in science and philosophy, she navigates life with her unpredictable alcoholic mother and her own inner demons. Dreaming of a freedom as delicate as a butterfly's, Lisa finds solace in her final year when she meets Christos, an accomplished long-distance swimmer. Captivated by Christos's love for beauty and his laid-back nature, Lisa joins his family's Greek band as a singer and dancer after graduation. Fortuitously inheriting substantial assets, she establishes a thriving taverna, though at the expense of her health. However, Lisa's world shatters when she uncovers Christos's hidden traits of deception and dishonesty, defended by him through Machiavellian principles and a curious analogy to Santa Claus. This revelation challenges her deeply held Christian virtues and scientific rationale. Resolute to win her trust, Christos

undergoes a transformation adopting honesty and humility Ultimately the couple finds common ground and retreats to Christos s inherited farm on a picturesque Greek island There amidst ancient stone houses pencil pines and the crystalline Aegean Sea they rediscover each other and perhaps the elusive happiness Lisa has been seeking **The Chocolate Rose** Laura Florand,2013-04-17 Her father s worst enemy Top chef Gabriel Delange never forgave his old nemesis Pierre Manon for all the other chef had cost him One stolen rose And he most certainly couldn t stand the sight of his own most famous dessert the legendary Rose claimed as Pierre s own on the cover of his new cookbook A beast s substitute victim But even Gabriel could hardly go through with a lawsuit when he learned the older chef had just had a stroke Especially not when Pierre had one very cute daughter willing to be Gabriel s victim instead A fascinated beauty As a child Jolie Manon had seen her family torn apart by her top chef father s obsession with his work As a food writer she might be fascinated with a chef s work but she knew how to guard her heart She would never allow another chef into her life Unless he blackmailed her into it Welcome to the heat and sun of Provence where jasmine and roses climb up old colored walls where fountains play in ancient stone villages and where even a beast can prove he is a prince at heart Praise for Laura Florand and her novels I adored this story Paris chocolate and romance all in one hilarious package New York Times best selling author Eloisa James Sensuous and sumptuous a mouth watering tale of slow burning passion RT Book Reviews Readers will devour this frothy fun novel Booklist [The Ladies' Treasury and Treasure of Literature](#) , **Not an Easy Truce** Sarah Kades,2022-06-21 What if the one person you are trying to forget was your heart s deepest desire Becca Tanner is determined to make her dude ranch inn nestled in the foothills of the Canadian Rocky Mountains open on time and be a success Nowhere in her business plan did she pencil in time for arms dealers and drug runners manipulating fathers or sparring matches with her one sided decade long crush Officer Jason Chasseur She invested everything she had and more that she didn t into her dream and she ll go down swinging before giving up on herself or those counting on her RCMP Officer Jason Chasseur doesn t believe for a second Becca Tanner didn t know her father pushed him out of the chance to buy back his family s ancestral land That sparks fly whenever she s near is irrelevant When the land in question turns out to be an active criminal base camp and Becca is forcefully recruited he knows she is in way over her head As the time ticks down to opening weekend Becca is running out of time As danger mounts she digs in deeper determined to keep her livelihood and wits about her Small consolation if she s dead a fact Jason is quick to remind her as he hustles with everything he has to keep her safe Family secrets keep pace with them as they run headlong into each new threat Can they trust each other long enough to help a broken criminal family heal and finally accept the love that has always been between them **Modern Languages Study Guides: Como agua para chocolate** Sebastian Bianchi,Mike Thacker,2017-07-10 Exam Board AQA Edexcel WJEC Eduqas CCEA Level AS A level Subject Modern Languages First Teaching September 2017 First Exam June 2018 Literature analysis made easy Build your students confidence in their language abilities and help them develop the skills needed to critique their chosen work putting
