The Amazons Adrienne Mayor, 2016-02-09 The real history of the Amazons in war and love Amazons fierce warrior women dwelling on the fringes of the known world were the mythic archenemies of the ancient Greeks Heracles and Achilles displayed their valor in duels with Amazon queens and the Athenians reveled in their victory over a powerful Amazon army In historical times Cyrus of Persia Alexander the Great and the Roman general Pompey tangled with Amazons But just who were these bold barbarian archers on horseback who gloried in fighting hunting and sexual freedom Were Amazons real In this deeply researched wide ranging and lavishly illustrated book National Book Award finalist Adrienne Mayor presents the Amazons as they have never been seen before This is the first comprehensive account of warrior women in myth and history across the ancient world from the Mediterranean Sea to the Great Wall of China Mayor tells how amazing new archaeological discoveries of battle scarred female skeletons buried with their weapons prove that women warriors were not merely figments of the Greek imagination Combining classical myth and art nomad traditions and scientific archaeology she reveals intimate surprising details and original insights about the lives and legends of the women known as Amazons Provocatively arguing that a timeless search for a balance between the sexes explains the allure of the Amazons Mayor reminds us that there were as many Amazon love stories as there were war stories The Greeks were not the only people enchanted by Amazons Mayor shows that warlike women of nomadic cultures inspired exciting tales in ancient Egypt Persia India Central Asia and China Driven by a detective s curiosity Mayor unearths long buried evidence and sifts fact from fiction to show how flesh and blood women of the Eurasian steppes were mythologized as Amazons the equals of men The result is likely to become a classic

Amazon Planet Mack Reynolds, 2013-02-25 Amazonia had a reputation for strangeness even among the zany worlds of the United Federation of Planets It was a spartan planet ruled by a fearsome military caste made up exclusively of women The males of Amazonia usually wound up in some warrior s harem When Guy Thomas arrived he was allowed the privilege of landing only because he offered the government profitable trade agreements but it wasn t long before his real plans were fulfilled by his secret meetings with the male liberationist revolutionary group The Sons of Liberty They needed a

lot of help The more he got involved however the more he got the feeling that something was wrong with the whole setup Guy Thomas was soon to learn that there was more to Amazonia than met the eye and he wasn't going to like the truth at all
