Records of the Court of New Castle on Delaware, 1676-1681 New Castle (Del.). Court, 1904 *Saturday Night Live* FAQ Stephen Tropiano, 2013-11-01 Television history was made on Saturday October 11, 1975 at 11:30pm ET when Chevy Chase welcomed America to the first episode of a new late night comedy series. With its cutting edge satire and cast of young talented performers, Saturday Night Live set a new standard for television comedy while launching the careers of such comedy greats as John Belushi, Chevy Chase, Dan Aykroyd, Eddie Murphy, Mike Myers, Dana Carvey, Will Ferrell, Amy Poehler, and Tina Fey. Saturday Night Live FAQ is the first book to offer the show's generations of fans everything they ever wanted to know and may have forgotten about SNL. Beginning with the show's creation in the mid 1970s by Lorne Michaels and the Not Ready for Prime Time Players, SNL FAQ takes you through the show's history with an in-depth look at all thirty-eight seasons. It's all here: the comedic highlights and low points, memorable hosts and musical guests, controversial moments, and of course the recurring characters and sketches, catch phrases, and film shorts that have made SNL the epicenter of American comedy for nearly four decades. SNL FAQ also examines the show's influence on American culture and includes profiles of over 100 SNL cast members along with a comprehensive guide detailing every episode. **NBC** Michele Hilmes, 2007-08-01 Spanning eight decades from the beginnings of commercial radio to the current era of international consolidation and emerging digital platforms, this pioneering volume illuminates the entire course of American broadcasting by offering the first comprehensive history of a major network. Bringing together wide-ranging original articles by leading scholars and industry insiders, it offers a comprehensive view of the National Broadcasting Company (NBC) that brings into focus the development of this key American institution and the ways that it has intersected with and influenced the central events of our times. Programs, policy, industry practices, and personnel, politics, audiences, marketing, and global influence all come into play. The story the book tells is not just about broadcasting but about a nation's attempt to construct itself as a culture with all the underlying concerns, divisions, opportunities, and pleasures. Based on unprecedented research in the extensive NBC archives, NBC America's Network includes a timeline of NBC's and broadcasting's development, making it a valuable resource for students and scholars as well as for anyone interested in the history of media in the United States.
