School of the Miraculous Kynan Bridges, 2020-01-14 Demystifying Miracles What if you could experience something miraculous every day Many Christians think of miracles as rare events for a select and fortunate few But miracles don't have to be something mysterious and out of reach They don't have to be the exception Just as they were common in the early church they can become common for you *School of the Miraculous A Practical Guide to Walking in Daily Miracles* by Dr Kynan Bridges shows how every believer can develop a miracle mindset operate in miracles and establish a lifestyle in which miraculous events occur Dr Bridges has encountered many believers who are frustrated because they are not seeing evidence of God's power in their circumstances They have a growing desperation for more of His intervention in their lives This book was designed to answer that cry for more The Holy Spirit is the Miracle Worker but most miracles involve human participation in some way Dr Bridges reveals that our growing intimacy with God's Spirit will lead us to see and participate in His miracles living in His power and setting our expectations increasingly higher for His miraculous works in our lives This practical guide for every believer is filled with ideas for personal application encouraging testimonies and spiritual activation prayers for tapping into the miraculous Enroll in the School of the Miraculous today All a Part of God's Plan Diane P. CANCELLATION BOOK Hlompho Phamodi, 2018-12-20 The first thing I am sure that goes into everyone's mind when they see a title like this one is can it happen On the other hand some say yes God is a God of miracles but can it happen to me I believe He has done it for someone but can it really happen to me Now my question to you is why not you Yes God has done Debt Cancellation Miracles He has done it in so many mysterious ways to so many people He desires to do it in your life and this book is going to prepare you for that I am not talking magic here but I am talking of the power of God He specializes in miracles There are people that have prayed for money to pay their debts we bless God for them and there are others however that have prayed to the same God for a miracle over their debt situation some were not specific some were specific but God answered them He cancelled their debts No matter the level of your faith the Word says even if it is the faith as small as a mustard seed you can move mountains with it All you need to do is just to believe To him who believes the Bible says ALL THINGS ARE POSSIBLE I write this book as a believer in such a God and I bear witness to testimonies of the miracles of debt cancellation

Homecoming Julie R. Wilson, 2002 At first reading most Christians might dismiss the Book of Ruth as a simple story of romance and redemption an Old Testament tale with no bearing on their lives But in Julie Wilson's inspired retelling it becomes so much more She uses numerous New Testament Scriptures to show how the relationship of Naomi and Ruth is an allegory for how mature believers can disciple new believers and how the marriage of Ruth and Boaz foreshadows the relationship of Jesus with the Body of Christ Homecoming also demonstrates how the book of Ruth can help believers to regain spiritual footing after serious setbacks thereby serving as a healing balm for all who have been wounded by terrorism personal tragedy or scandals within the Church In twelve chapters each followed by Scripture study and reflection prompts this fascinating and multi-layered book challenges readers to discern where they are in their relationship with the Lord and how to proceed to spiritual maturity Homecoming is for experienced students of the Bible as well as anyone who has ever said I just don't get the Old Testament After reading Homecoming you'll get it like never before Book jacket

That Keep Us J. Ellsworth Kalas, 2010-09-01 In the case of this book I can tell you not only when it came to birth but also where It was in a quite modest kitchen at 1506 Center Street in Sioux City Iowa over a period of years in the late 1930s On a shelf in that kitchen just above the stove was a box of cards each measuring roughly one by three inches each one containing a verse from the Bible The box was popularly referred to as precious promises I don't know if that was the name the publisher gave to the collection or if it was the title earnest Christians had given to such verses long before an enterprising publisher organized a specific collection into printed form I only know how sacred and beloved the box was to my mother and to untold thousands of other persons at that time The verses covered a wide area of biblical teaching Many had a quality of admonition and instruction but the overall mood was one of encouragement Those who kept such a box in easy reach were sustained by the contents Some verses took on such personal significance that they were laid aside on top of the box or beside it to be looked at more often Mind you the owner of the box knew such verses by heart but there was a peculiar strength in looking at the printed form and holding it in one's hand And I might add that by the time she took her promise for the day she would already have prayed on her knees and have read a longer portion from the Bible I revered those promises because they meant so much to my parents especially my mother and because on several occasions I had seen how uniquely appropriate a particular verse proved to be at a particular time That Center Street box has now been lost for half a century or more so I can't promise that the verses I embrace in this book were all in that box The Bible verses I've included in this book are verses that have blessed me over the years and I dare to believe that some or all of them will give a lift or a thought to you Some have become significant to me in times of pain some in joy When you read this book I'm very sure you will think of a verse that is priceless to you and you'll wonder why it's not in this book The verse may mean so much to you that perhaps you will reprimand me even if kindly for not including it If you do I'll understand I'll just know that whether or not you've

ever seen a box of precious promises you have discovered that there are promises that keep us And I will thank God with you that you have found it to be so J Ellsworth Kalas adapted from the foreword This book will contain a discussion guide
