Waterloo Battlefield Guide:

Waterloo Battlefield Guide David Buttery, 2013-05-20 A British military historian offers an expert introduction to The Battle of Waterloo in this essential companion for battlefield visitors In Belgium on June 18th 1815 the Battle of Waterloo marked the climax of the Napoleonic Wars and a major turning point in world history The combined forces of the Duke of Wellington and Field Marshal von Blücher delivered a devastating defeat to Napoleon Though the outcome would have a major influence on the shape of Europe for more than a century the battle itself cannot be properly understood without a detailed study of the landscape in which it was fought Using eyewitness accounts and an intimate knowledge of the terrain historian David Buttery vividly reconstructs the events of Waterloo as he takes readers across the battleground as it exists today He provides essential context for understanding pivotal episodes in combat including the day long struggle for the chateau at Hougoumont the massive French infantry assaults repeated cavalry charges the fall of La Haye Sainte the violent clashes in the village of Plancenoit the repulse of the Imperial Guard and rout of the French army *Waterloo* Andrew Uffindell, Michael Corum, 2003 **Waterloo** Andrew Uffindell, Michael Corum, 2002-01-01 What better way to read the momentous Battle of Waterloo than to follow the movements of the main military commanders on that fateful day 18 June 1815 For the British side of the action we dog the footsteps and learn about the decisions and actions of The Duke of Wellington For the French perspective we follow both Napoleon Bonaparte and his right hand man Marshal Ney who in fact played the more critical role *Battlefield guide to Waterloo* Stephen Maughan, Walking Waterloo Charles J. Esdaile, 2019-06-30 Tour the Belgian battleground where Napoleon was defeated with historical background maps archival images and more In this book the acclaimed author of *Napoleon's Wars* provides a new guide to the Battle of Waterloo that presents the experience of the soldiers who took part in the battle in the most graphic and direct way possible through their own words In a series of walks he describes in vivid detail what happened in each location on June 18 1815 and quotes at length from eyewitness accounts of the men who were there Each phase of the action during that momentous day is covered from the initial French attacks and the intense fighting at Hougoumont and La Haye Sainte to the charges of the French cavalry against the British squares and the final doomed attack of Napoleon's Imperial Guard This innovative guide to this historic site is fully illustrated with a selection of archive images from the War Heritage Institute in Brussels modern color photographs of the battlefield as it appears today and specially commissioned maps that allow those who visit in person to follow the course of the battle on the ground Waterloo - a Battlefield Guide S. Henry Dwan, 2020-11 The battle of Waterloo was fought over 200 years ago and has continued to attract undiminished interest ever since Marking as it did the culmination of the Napoleonic Wars and the extinguishing of the fascinating career of that conflict's namesake Just as the battle itself continues in its popularity so too does the battlefield itself In a normal year anywhere up to 500 000 tourists descend on the location for a fulfilling experience which pays tribute to the Belgian people's justifiable investment and pride

in this historic site Tourism here practically began before the gunpowder smoke had dissipated tourists arrived generally from Brussels to see for themselves the gory site of a freshly sewn Napoleonic battlefield while the suffering of desperately wounded men and horses was still in its early stages At the time it was just another battlefield and the soldiers present expected another battle would be fought in a day or two few if any fully appreciated the severity of the French defeat and even fewer could have gauged the decisiveness of the encounter But as subsequent events unfolded and it became apparent that the long Great French War was finally at an end so Waterloo grew to be the punctuation mark of history that it is today Under four miles wide and less than two and a half deep Waterloo is an easily accessible battlefield with a total area of about eight to ten square miles which can be covered on foot by many people in 1 2 days or perhaps 3 if a wider experience of each location is desired The battlefield area is protected by a Belgian law laid down in 1914 which was extended to cover a wider area in 2015 Features on the battlefield remain significantly unchanged and the modern encroachment of tarmac and sign posts do little to detract from the overall impression Buildings present in 1815 appear largely as they did then with the notable exceptions of Papelotte and the Plancenoit church La Haye Sainte Mont St Jean Farm Le Caillou Chantelet and the remains of Hougoumont all present the visitor with the rewarding image as seen by the soldiers present on 18th June The same is true of those surviving locations that form a part of the 1815 campaign Much of the Quatre Bras and Ligny battlefields can still be seen and locations in Wavre Namur and Charleroi have also been happily preserved Following the battle many monuments memorials plaques and steles were erected mounted in the widespread locations of the battlefield and campaign area The most significant of these being the Lion Mound raised half way down Wellington s right flank Love it or hate it for its alteration to this important part of the battlefield the mound offers the most spectacular of views and allows the visitor to fully appreciate the scale of the battlefield as a whole From here it is easy to look into the ground before La Belle Alliance and visualise the attacks by the French Cavalry and the Imperial Guard I have also covered the visitor centre which in 2015 was transformed into perhaps the best historical battlefield centre in the world It includes a very absorbing 4D film of the battle which put the viewer right in the middle of events you see bayonets and horses muzzles actually come at you from the screen And also a very fine display of uniforms and weapons from the battle the most accurate representation of 1815 uniforms you will probably see Hougoumont too has seen some transformation and with renovation and a cinematic show now included In all the battlefield will not disappoint anyone remotely interested in history for a Napoleonic buff it cannot be missed Finally I have included an orders of battle to the guide by way of an appendix and guidance
