Parliament, 1903. *Transfer Thinking in Translation Studies* Maud Gonne, Klaartje Merrigan, Reine Meylaerts, Heleen van Gerwen, 2020-11-16. The concept of transfer covers the most diverse phenomena of circulation, transformation, and reinterpretation of cultural goods across space and time and are among the driving forces in opening up the field of translation studies. Transfer processes cross linguistic and cultural boundaries and cannot be reduced to simple movements from a source to a target culture or text. In a time of paradigm shifts, this book aims to explore the potential and interdisciplinary power of transfer as a concept and an analytical tool to account for complex cultural dynamics. The contributions in this book adopt various research angles: literary studies, imagology, translation studies, translator studies, periodical studies, postcolonialism, to study an array of entangled transfer processes that apply to different objects and aspects ranging from literary texts, legal texts, news, images, and identities to ideologies, power, asymmetries, titles, and heterolingualisms. By embracing a process-oriented way of thinking, all these contributions aim to open the black box of transfer in the widest sense. *The Boy's Own Paper*, 1882. **The Warringtons abroad: or Twelve months in Germany, Italy, and Egypt** Warringtons, 1866. **Sugar Sugar** Carole Wilkinson, 2014-02-01. Seventeen-year-old Jackie has left Australia with a psychedelic suitcase and a dream to become a world-famous fashion designer. She knows exactly where she's going and how she's going to get there. So how does a weekend in Paris send her spinning off course? How does she end up somewhere she couldn't even find on a map? *Sugar Sugar* is an evocative young adult fiction novel by Australian author Carole Wilkinson. Set in the 1970s, this coming-of-age story is a whirlwind of romance, travel, and dreams. Carole is most well known for the internationally bestselling series *Dragonkeeper*, the award-winning non-fiction book *Black Snake*, and her junior fiction *Ramose* series. Carole's most recent book is *Stagefright*. Read more at www.carolewilkinson.com.au. A beautifully paced, closely observed, and utterly compelling story about losing a dream and finding your passion, Wilkinson creates perfectly the aching uncertainty and glorious adventures of a girl on the road and transports you so completely into an exotic and dangerous journey that you're not reading this book; you're living it. Julia Lawrinson. This convincing and inspiring adventure smells of freedom; it's Wilkinson's excellent characterisation, peppered with a touch of romance and big dreams that mostly underpins the narrative drive, making for an engrossing page-turner. Bookseller/Publisher. A fast-paced, colourful, compelling novel. Highly recommended for young adults and adults. *Magpies* magazine. *Sugar Sugar* is great fun. There is a wealth of fascinating detail in the descriptions of places Jackie visits, and she is an appealing narrator, self-reliant and sensible. *Viewpoint* magazine.
