The British Television Pilot Episodes Research Guide 1936-2015 Christopher Perry,2015-12 A new idea can become an expensive flop for TV executives So from the earliest days of television the concept of a pilot episode seemed like a good idea Trying out new actors new situations and new concepts before making a series was good economical sense It was also tax deductible Sometimes these pilots were shown on television sometimes they were so awful they were hidden from sight in archives and sometimes they were excellent one offs but a series seemed elusive and never materialised Chris Perry has always been fascinated by the pilot episode So many pilots are made annually but never seen by audiences Only a handful appear on screen It s a hidden world of comedy variety drama and factual programming This volume attempts to lift the lid on the world of the TV pilot by revealing the many transmitted and untransmitted episodes made through the decades

Reflections International ,1999

A Non-Traditional Guide to Physical Chemistry Robert Schiller,2022-08-17 This book introduces in a non traditional way the laws of physical chemistry and its history starting in the 16th century It reveals to the reader how physical chemists

try to understand chemical processes in terms of physical laws Hydrogen is the main focus of the book as its simplicity makes the relevant laws of nature easy to explain and its role in energetics in the near future is clear With the basics at hand the importance of hydrogen as a raw material in the industry and as an energy carrier in the near future is made clear Only simple chemical processes are discussed and very little mathematics is used Both the pleasure and use of this field of research are revealed to the interested reader The expected readership is made of high school students non chemistry major freshmen and general audience with an interest in chemistry The real aim of this book is to prompt the reader to wonder

A Guide to Early Jewish Texts and Traditions in Christian Transmission Alexander Kulik, Lorenzo DiTommaso, 2019 The Jewish culture of the Hellenistic and early Roman periods established a basis for all monotheistic religions but its main sources have been preserved to a great degree through Christian transmission This Guide is devoted to problems of preservation reception and transformation of Jewish texts and traditions of the Second Temple period in the many Christian milieus from the ancient world to the late medieval era It approaches this corpus not as an artificial collection of reconstructed texts a body of hypothetical originals but rather from the perspective of the preserved materials examined in their religious social and political contexts It also considers the other non Christian channels of the survival of early Jewish materials including Rabbinic Gnostic Manichaean and Islamic This unique project brings together scholars from many different fields in order to map the trajectories of early Jewish texts and traditions among diverse later cultures It also provides a comprehensive and comparative introduction to this new field of study while bridging the gap between scholars of early Judaism and of medieval Christianity
