Spiritual Progress Instructions In The Divine Life Of The Soul:

Spiritual Progress FRANÇOIS FÉNELON, MADAME GUYON, PÈRE LACOMBE, 2015-02-18 A collection of five inspiring essays by three brilliant thinkers who graced the court of Louis the XIV Fran ois F nelon Madame Guyon and P re Lacombe They encouraged people to seek God themselves and practiced a form of Quietism which was considered heretical by the Catholic Church They believed that you could have intimacy with God outside of the bonds of the church Madam Guyon believed in constant prayer to and communion with the Almighty FRAN OIS F NELON Christian Counsel Spiritual Letters MADAME GUYON Method of Prayer On the Way to God P RE LACOMBE Spiritual Maxims Over the past few centuries many have been encouraged by these short essays and found them instrumental in deepening their relationship with God You will be encouraged and inspired Spiritual Progress James W. Metcalf, 1855 *Spiritual Progress* Madame Guyon, Francois Fénelon, Pére Combe, 2017-04-18 This collection of five books contains Fenelon s outstanding teachings on prayer suffering the achievement of virtue and other spiritually crucial tenets The five texts are as follows Book One is a lengthy essay pertaining to Christian counsels the moral and spiritual underpinnings of Christianity Book Two is a collection of short letters each of which concern a topic pertinent to spiritual seekers Book Three comprises a lengthy and diverse discussion of prayer in the context of topics such as holy virtue sin and attaining closeness to the divine Book Four details by stages or degrees by through which believers ascend closer towards God Book Five rounding off the treatises is composed of a series of sixty maxims which believers are to hold close to heart Uniting aspects of philosophy with Christian theology and spiritualist thought Fenelon presents here a lively set of treatises where esoteric knowledge and concepts are put to singular good purpose enhancing and informing the spiritual life of the reader Although at times arcane the advice given is rooted in the Christian tradition and scriptures Fenelon never attained mainstream popularity as an author during or after his life however he was and remains a favorite of scholars and religious adherents seeking to explore the deepest channels of their faith Although more difficult than other inspirational authors Fenelon s authenticity and depth cannot be doubted Spiritual Progress: Or Instructions in the Divine Life of the Soul from the French of Fenelon and Madame Guyon Madame Guyon, Fenelon, 2018-04-17 The Providence of God among the Churches seems to call to the present time for further light upon the subject of a higher experience than that usually attained by the members of our Christian societies Among the teachers who have been from time to time anointed for this work Fenelon and Madame Guyon are justly held in high estimation While some perhaps have had a more interior experience few if any have so joined to the deepest devotion a power of spiritual analysis that eminently fitted them for the office of instructors The extracts from Fenelon here given under the title of Christian Counsel have been translated from the *Avis Chrétiens* contained in the fourth volume of the Paris edition of his works in 10 vols 12 mo 1810 The Spiritual Letters are from the same source The translation of the Method of Prayer is that which commonly passes under the name of Thomas Digby Brooke It has been carefully compared and corrected by the

Editions of the Opuscles published at Cologne 1704 and Paris 1790 The Concise View and Spiritual Maxims which follow have been translated from the Paris edition of 1790 It was at first proposed to have prefixed to the selections an account of the lives of the authors but the design was subsequently abandoned The very unsatisfactory character of a mere sketch the space that would be demanded by anything like a fitting biography and the very accessible form in which the materials have been lately placed by Professor Upham are some of the reasons that contributed to the change As this little work is intended to be simply devotional matter of a purely sectarian or controversial character has been as far as possible omitted And now beloved reader one word in conclusion from the love of God to you God has led you in his Providence to open this book that He may do you good If through his infinite mercy you have had a personal experience of the matters herein written your heart will be filled with thanksgiving and praise as you read What hath God wrought If not you will find many things strange and it would not be surprising if you should be ready to pronounce some untrue But ah beware of being wise in your own conceit The Spirit of God that searcheth the deep things of God alone can decide Do not distrust the reports of these spies whom God has sent before you into the promised land It is a land flowing with milk and honey true the children of Anak are there in whose sight we are but as grasshoppers but they are bread for us The Lord God He it is that shall fight for us and He will surely bring us into that exceeding good land The natural man receiveth not the things of God for they are foolishness unto him neither can he know them because they are spiritually discerned If then you have not experienced the things that follow think it not strange that they should seem foolish and false in God s own time they shall be perceived if you follow on to know If you will be advised by one who knows nothing and who is least in the household of faith you will deny nothing reject nothing despise nothing lest haply you be found fighting against God you will receive nothing but what is accompanied by the Amen of the Spirit of God in your heart all else shall be as the idle wind Reading thus in absolute dependence not upon man s wisdom or teaching but upon the utterances of the blessed Spirit within you shall infallibly be guided into all Truth Such is the promise of Him who cannot lie And may His blessing rest upon you
