**A Stranger's Promise** Betsy Lowery, 2019-01-18 From the church librarian to the garage mechanic folks in Crook Mountain Tennessee seem to be either hindering or helping an old missing person investigation And a certain waitress who is fairly new in town may have more at stake than any of them Now throw in Joan Ryan a semi retired dietitian from Atlanta who arrives on the scene by pure happenstance Joan may be the secret ingredient in a recipe of comedy resourcefulness and danger Such interesting characters I would like to meet I am praying that this novel will be shared with many hungry readers

Natalie G You have a gift with words and I was very aware of every descriptive word that is so much a part of your style They kept my mind alive

Jeanne W I truly enjoyed the story and meeting all these new friends well some not so friendly I so admire the talent it takes to imagine a plot complete with all the characters scenery etc and then put it all together with dialogue and all the details needed to make an appealing interesting story I m looking forward to reading the sequel

**Smashed** Koren Zailckas, 2006-01-31 Garnering a vast amount of attention from young people and parents and from book buyers across the country Smashed became a media sensation and a New York Times bestseller Eye opening and utterly gripping Koren Zailckas s story is that of thousands of girls like her who are not alcoholics yet but who routinely use booze as a shortcut to courage and a stand in for good judgment With one stiff sip of Southern Comfort at the age of fourteen Zailckas is initiated into the world of drinking From then on she will drink faithfully fanatically In high school her experimentation will lead to a stomach pumping In college her excess will give way to a pattern of self poisoning that will grow more destructive each year At age twenty two Zailckas will wake up in an unfamiliar apartment in New York City elbow her friend who is passed out next to her and ask Where are we Smashed is a sober look at how she got there and after years of blackouts and smashups what it took for her to realize she
