Being Agile Mario E. Moreira, 2013-11-19 *Being Agile* is your roadmap to successfully transforming your organization to an Agile culture. Veteran agile coach Mario Moreira teaches new adopters how to implement a robust Agile framework to derive from it the maximum business benefit in terms of customer value, revenue, and employee engagement. Agile is a ubiquitous watchword in the corporate world, but only a minority of companies understand and practice what they pay lip service to. Too many content themselves with half-baked approximations such as "Fragile Agile," "ScrumBut Scrum," but not the practices, and "Scrum Fall," mini-waterfalls in the sprints. Moreira shows maturing early adopters how to bridge the chasm between going through the motions of doing Agile and genuinely being Agile. After a high-level synopsis of Agile's values and principles, methodologies including Scrum, Kanban, DSDM, Lean, VFO, and XP, and roles, Moreira plunges into the nitty-gritty of how to apply the ready-to-implement coach and hone RICH deployment model to all phases of a project in such a way as to embody and inculcate agile values and principles at the team level and promote agile transformation across your organization's culture.

Murder On Mustique Anne Glenconner, 2020-11-12 A storm. A disappearance. A race against time. Mustique is in a state of breathless calm as tropical storm Cristobal edges towards it across the Atlantic. Most villa owners have escaped the island, but a few young socialites remain unwilling to let summer's partying end. American heiress Amanda Fortini is one such thrill-seeker until she heads out for a morning swim and doesn't return. Detective Sergeant Solomon Nile is just 28 years old and the island's only fully trained police officer. He quickly realises he needs to contact Lord and Lady Blake, who bought the island decades ago and have invested time, money, and love creating a paradise. Jasper is in St Lucia designing a new village of luxury villas, but Lady Veronica Vee, to her friends, catches a plane immediately. Her beloved god-daughter Lily is on the island, and this disappearance has alarming echoes of what happened to Lily's mother many years ago. Lady Vee would never desert a friend in need, and she can keep a cool head in a crisis. When Amanda's body is found, a murder investigation begins. Nile knows the killer must be an islander because flights and ferry crossings have stopped due to the storm warning, but the local community isn't co-operating. And then the storm hits, and someone else disappears.
