War and Peace Lev Tolstoy,2017-09-27 We can know only that we know nothing And that is the highest degree of human wisdom Nothing is so necessary for a young man as the company of intelligent women If everyone fought for their own convictions there would be no war The strongest of all warriors are these two Time and Patience There is no greatness where there is not simplicity goodness and truth The whole world is divided for me into two parts one is she and there is all happiness hope light the other is where she is not and there is dejection and darkness It s not given to people to judge what s right or wrong People have eternally been mistaken and will be mistaken and in nothing more than in what they consider right and wrong Like Pierre was right when he said that one must believe in the possibility of happiness in order to be happy and I now believe in it Let the dead bury the dead but while I m alive I must live and be happy You can love a person dear to you with a human love but an enemy can only be loved with divine love If we admit that human life can be ruled by reason then all possibility of life is destroyed We are asleep until we fall in Love I simply want to live to cause no evil to anyone but myself Everything I know I know because of love Man cannot possess anything as long as he fears death But to him who does not fear it everything belongs If there was no suffering man would not know his limits would not know himself Leo Tolstoy War and Peace **War and Peace** Lev Tolstoy,2017-09-27 We can know only that we know nothing And that is the highest degree of human wisdom Nothing is so necessary for a young man as the company of intelligent women If everyone fought for their own convictions there would be no war The strongest of all warriors are these two Time and Patience There is no greatness where there is not simplicity goodness and truth The whole world is divided for me into two parts one is she and there is all happiness hope light the other is where she is not and there is dejection and darkness It s not given to people to

judge what's right or wrong. People have eternally been mistaken and will be mistaken and in nothing more than in what they consider right and wrong. Like Pierre was right when he said that one must believe in the possibility of happiness in order to be happy and I now believe in it. Let the dead bury the dead but while I'm alive I must live and be happy. You can love a person dear to you with a human love but an enemy can only be loved with divine love. If we admit that human life can be ruled by reason then all possibility of life is destroyed. We are asleep until we fall in love. I simply want to live to cause no evil to anyone but myself. Everything I know I know because of love. Man cannot possess anything as long as he fears death. But to him who does not fear it everything belongs. If there was no suffering man would not know his limits would not know himself.

It is regarded along with *Anna Karenina* as Tolstoy's finest literary achievement. Epic in scale *War and Peace* delineates in graphic detail events leading up to Napoleon's invasion of Russia and the impact of the Napoleonic era on Tsarist society as seen through the eyes of five Russian aristocratic families. *War and Peace* Leo Tolstoy, 2008-09-02 A grand romantic saga of two noble Russian families and a multitude of lives swept up in the violent tumult of the Napoleonic Wars. Leo Tolstoy's *War and Peace* is considered one of the preeminent literary works of all time. Tolstoy originally completed this novel in 1866 but it was not until years later after the author had doubled the book's length with philosophical and historical meditations that the great novel was published. More than half a century in the making the result of extraordinary dedication and pains taking research here is Tolstoy's original version of this timeless classic which never made it into print during the author's lifetime. Now readers can enjoy the epic and unforgettable story as the novelist originally intended with its subtly different characters dialogue and ending and experience anew the breathtaking masterpiece that has inspired love and devotion for generations. [War and Peace](#) Leo Tolstoy, 2017-07-09 *War and Peace* is a novel by the Russian author Leo Tolstoy which is regarded as a central work of world literature and one of Tolstoy's finest literary achievements. The novel chronicles the history of the French invasion of Russia and the impact of the Napoleonic era on Tsarist society through the stories of five Russian aristocratic families. Portions of an earlier version titled *The Year 1805* were serialized in *The Russian Messenger* from 1865 to 1867. The novel was first published in its entirety in 1869. Tolstoy said *War and Peace* is not a novel even less is it a poem and still less a historical chronicle. Large sections especially the later chapters are a philosophical discussion rather than narrative. Tolstoy also said that the best Russian literature does not conform to standards and hence hesitated to call *War and Peace* a novel. Instead he regarded *Anna Karenina* as his first true novel. According to the *Encyclopædia Britannica* no single English novel attains the universality of Leo Tolstoy's *War and Peace*.
